Proposal – one sentence summary:

renumbering courses: change PHIL 295 to PHIL 302;

Proposed subject code(s) (indicate both if cross-listing):

Proposed course # or level:

Proposed course title:

Proposed course catalog copy:

Prerequisites/co-requisites and/or recommended prior courses, as listed in catalog copy:

How will the proposed revision affect any catalog lists of options for majors or minors?

Rationale for course within departmental and collegiate context and based on assessment results:

Just renumber the classes to have them 300 and keep the historical order. This is the one 200 level philosophy course that should not be open to freshmen. With the change in numbering we can say that all 200 philosophy courses are open to freshmen with appropriate interest without having to list them or say below PHIL 295. The difficulty of the course will remain the same and has been intended for juniors and some sophomores (especially philosophy majors).

Proposed general education code(s) (check all that apply):

- EA HP LS NS NS-L SB VA QS W1 FL [Curriculum Committee]
 CW [CW Committee] W2 [Writing Across the Curriculum Committee]

Proposed Odyssey code(s) (check all that apply):

- AC GA PL SW UR SP [CEL Committee/Curriculum Committee]

For each of the checked general education or Odyssey codes, describe how the course fulfills the published criteria (see the Catalog, pages 18-23 or the Odyssey Program Guide, pages 10-16):

Justification for cross-listing:

How often will the course be offered?

Who will teach the course?

Equipment, supply, and bibliographic requirements (items and cost):

Will the above items be covered by a present budget? Yes No
