New major/minor/related changes

Change in major

Change in minor

Proposed change—one sentence summary:

We propose the following changes to the course lists for the International Relations major and minor

Proposed subject code:

Proposed catalog copy for requirements:

1. Under "Foundations":

After "POLI 251: Theories of International Relations" add: "or POLI 271: Theories of Comparative Politics"

2. Under "Comparative Politics" remove

POLI 371: Latin America

POLI 372: China and East Asia

POLI 373: Palestine, Israel and the Middle East

3. Under "Comparative Politics" add:

HIST 292: The Two Koreas

HIST 291: Japan's Pacific War

HIST ~~2XX~~ Modern Japan <sup>246</sup>

HIST 3XX Crime and Punishment in East Asia <sup>306</sup>

HIST 2XX Korea: The Forgotten War <sup>293</sup>

POLI 2xx: Politics of Central and Eastern Europe <sup>272</sup>

~~POLI 282~~ Foreign Policy Analysis

(All of these courses are pending approval)

4. Under "Institutions and Governance" remove POLI 353: Conflict Management and Resolution

5. Under "Institutions and Governance" add POLI <sup>341</sup>~~3xx~~: The World of Elections

Rationale within departmental and collegiate context and based on assessment results:

The Department would like to add an additional theory course as an option in the Foundations section of the major and minor: either POLI 251 or POLI 275. The Department will no longer offer the courses to be removed. The courses to be added are new courses that are being proposed this year.

*Proposers are welcome to attach additional documentation for more complex proposals, such as the addition of a major or minor.*

Approval Chain (type name and date of approval)

Department chair: W. Jay Barth (10/6/11)

Area chair: Allison K. Shutt, 10/12/11
