Proposal – one sentence summary:

Coaching fall sports combines several existing, highly overlapping classes into one course that better fits student needs and Departmental resources

Proposed course # or level: ~~4xx~~ 425

Proposed course title: Coaching Fall Sports

Proposed course catalog copy:

A study of the ^{rules,} coaching and training techniques, and event management for football, volleyball, swimming and basketball

Prerequisites/co-requisites and/or recommended prior courses, as listed in catalog copy:

How will the proposed revision affect any catalog lists of options for majors or minors?

This course will be in a list of options for Kinesiology majors preparing for careers in secondary school physical education

Rationale for course within departmental and collegiate context and based on assessment results:

The Kinesiology Department currently has separate courses in Coaching Basketball, Swimming, Volleyball, and Football, (KINE 440, 450, 460 and 470 respectively) none of which has been taught recently. We feel that this single course is a better fit for the resources the Department can offer, and fits well with what students need for their preparation to teach in secondary schools.
