

HENDRIX

COLLEGE

2009-2010 Enrollment Agreement and Housing Application Form

We consider residence hall living to be an integral part of the college experience for students. Community living offers students increased opportunity for involvement in educational and recreational programming, interpersonal and group development, and leadership. Hendrix is a residential college; therefore, students are required to live in Hendrix-owned facilities.

The date this form and the \$350 housing deposit are received determines the order in which rooms are assigned. If you choose to place higher priority on your roommate request, please know that rooms will be assigned according to the date the second roommate deposits.
