

Hendrix College Department of Education

Departmental Recommendation for Student Teaching, Secondary or K-12

Student _____ Department _____

The student named above has made an application for admission to the Hendrix Elementary Education Program for the _____ academic year. The Committee on Teacher Education will appreciate the frank evaluation of the student by your department. On the basis of the department's knowledge of and contact with this student, please select a rating.

All of these ratings should be on the basis of the student's suitability to enter a program preparing teachers for elementary schools.
