- ❖ History of the International System
- ❖ Political Economy
- ❖ Model United Nations
- ❖ Theories of International Relations
- ❖ U.S. Foreign Policy
- ❖ Western Political Thought

Upper Division Courses

- ❖ International Human Rights
- ❖ International Law & Organizations
- ❖ Human Rights in Political Theory
- ❖ Politics of Development
- ❖ Senior Seminar (IRGS and POLI/IR)

❖ State & Civil Society

Instructor, International Relations (2003-2004)

University of Denver, Graduate School of International Studies (Denver, CO)

Instructor, Political Science (2001-2004)

Metropolitan State College of Denver, Department of Political Science (Denver, CO)

PROFESSIONAL EXPERIENCE

Senior Editor, *Human Rights & Human Welfare* (2001-2007; 2009-)

Korbel School of International Studies, University of Denver

Founding, Senior Editor of electronic human rights journal, launched in January 2001. Responsible for formulating and overseeing editorial policy for four separate review sites: thematic review essays, book notes, topical digest, and working papers. Reappointed as Senior Editor in 2009.

Executive Director, Association of Professional Schools of International Affairs (APSIA) (2004-2006)

Chief administrative officer of an association of 30 professional schools of international and public affairs in North America, Asia, and Europe. Managed assets of \$300,000. Oversaw and implemented all aspects of policy and programming for the Association, including marketing, recruiting and career service activities, membership management, advocacy, budgeting and investments. Reported directly to Association President.

Independent Consultant: Gender, HIV/AIDS, Reproductive Health and Human Rights (1999-2002)

- ❖ The Population Council, New York (July-September 2002). Co-author of a joint Population Council/UNFPA publication for reproductive health program designers and service providers on the integration of HIV/AIDS interventions into reproductive health settings.
- ❖ International Center for Research on Women, Washington DC (January-June 2002). Prepared a "Briefing Note" and assisted in planning the agenda for a World Health Organization Expert Group Consultation on Gender and HIV/AIDS held in Geneva, June 2002.
- ❖ PATH, Washington, DC (January-February 1999). Drafted a reproductive health and human rights research framework for the Interagency Working Group on Gender for the U.S. Agency for International Development (USAID).
- ❖ International Center for Research on Women (January-April 1999). Provided analysis of qualitative data collected in a 24-month health and human rights study conducted in Moscow, Russia. Co-authored final report.

Program Associate and Project Director (1993-1998)

International Center for Research on Women, Washington, D.C.

Progressively responsible for policy research projects and initiatives in the areas of gender and HIV/AIDS, reproductive health, and women's human rights. Responsibilities included:

- ❖ Program design, implementation, and evaluation
- ❖ Writing and editing reports publishing results and findings from project activities
- ❖ Financial oversight, reporting, and auditing preparation for in-house and in-country research and program partners throughout the developing world.
- ❖ Liaising with public- and non-profit donors, including USAID, a variety of United Nations agencies, and private foundations

Named projects included:

- ❖ PROWID, a global, four-year research and advocacy program.
- ❖ HORIZONS, a global, five-year HIV/AIDS operations research program.
- ❖ AIDSMark, a global, five-year social marketing program for HIV/AIDS prevention.
- ❖ UNAIDS Literature/Program Review
- ❖ STOPAIDS (a Nigerian NGO funded by the Ford Foundation) Motorpark project
- ❖ The Women and AIDS Research Program, a five-year formative research project on gender-related determinants of HIV/AIDS vulnerability

Editor (1991-1993), *Swords and Ploughshares: A Journal of International Affairs*

School of International Service, American University, Washington, D.C.

Founding editor of bi-annual international affairs research publication: formulated editorial policies; oversaw editorial staff, desktop publishing design and production, funding, advertisement, and solicitation of articles from graduate students and faculty.
