### **What we have planned:**

Your group will spend two nights camping at Lake DeGray state park. On Saturday morning you will take a trip to the middle of the lake for a guided snorkeling tour. After lunch you will spend time at the swimming beach and on a party barge complete with a slide into the lake. Sunday will give you time to explore the lake, maybe take some hiking trails. After that it will be time to head back to good ol' Hendrix.

### **Don't forget:**

Your trip leaves tentatively at 3:30 p.m. on Friday, August 17th. Be sure to check with your leaders when you arrive to confirm your exact departure time.
