

# Office of Academic Affairs Staff Evaluation

#### **Process & Instructions:**

- Academic Affairs Staff Evaluation forms will be distributed to supervisors in mid-August.
- Supervisors should prepare a form for each staff member. For each staff member, the **Duty Categories** chart at the top of the second page should be completed by check marking the categories of duties that are appropriate for a particular staff member.
- Forms should then be given to the staff members with an explanation of the process. Staff members should take a copy of the form and complete each item in each check marked category. This self-appraisal should indicate how the staff member describes his or her performance relative to each item. Use the numeric system given in the **Key to Appraisal** chart below. Comments, examples, questions, etc. can be written in the comments section. After completing the form, the staff member should return it to the supervisor.
- While the staff member has the form, the supervisor should complete another copy of the form based on the supervisor's direct observations and knowledge of the staff member's performance. In some cases, the supervisor should also consult others who work closely with the staff member.
- When the staff member and the supervisor have completed the form, the supervisor should schedule a meeting where the two completed forms are shared and discussed. Then the supervisor and staff member should together fill out the **Performance Improvement Plan** describing specific areas for improvement and how that improvement can be accomplished. In some cases, it may be appropriate for the supervisor's supervisor participate in the meeting.
- At the end of the meeting, or within two days following the meeting, a final copy of the **Performance Improvement Plan** should be signed by both parties. The staff member and supervisor should keep a copy of the Plan. A copy of the rating forms and the signed Plan should be sent to the Provost's Office by September 30.
- The Performance Improvement Plan should be the basis for ongoing and regular conversations between the supervisor and the staff member.
- If you have questions or comments, please contact David Sutherland.

#### Key to Appraisal

SEE	Substantially Exceeds Expectations	This factor substantially supported job performance this year.	5
EE	Exceeds Expectations	This factor more than supported job performance this year.	4
ME	Meets Expectations	This factor supported job performance this year; however, it may need to be strengthened to support next year's expectations.	3
MSE	Meets Some Expectations	This factor was not strong enough to support full performance this year and should be a priority for development next year.	2
BE	Below Expectations	This factor failed to support performance this year and must be improved.	1
