The Psychology Department's stated learning goals for our students are:

- *to help them develop the capacity to **think scientifically** about behavior;
- *to produce in them an appreciation for **human diversity**;
- *to provide them with a sound **knowledge base** in the discipline;
- *to help them acquire competence in the **methodology** of psychological research;
- *to allow them the opportunity to gain **practical experience** in the application of psy

*to strengthen their **oral and written communication skills**; and

*to cultivate in them **sensitivity to the ethical standards** that guide research and practice
