

Student Assessment Plan: French Program
Dr. Cathy Jellenik, Associate Professor of French, Chair of Languages
Languages Department

Learning Goals of the French Program

Upon successful completion of the requirements for the French major, students will be able to:

1. Demonstrate the ability to communicate orally in French.
2. Demonstrate the ability to understand spoken French.
3. Demonstrate the ability to write accurately, convincingly, and in a logical, organized fashion in French.
4. Demonstrate the ability to read, understand, and analyze texts written in French.
5. Demonstrate cultural knowledge of the French-speaking world.

Plans for Gathering Information:

Direct Assessment:

French Learning Goals 1 and 2: Capstone Final Comprehensive Exam Grading Rubric line 4.

French Learning Goal 3: Direct Assessment: Capstone Final Comprehensive Exam Grading Rubric lines 2 and 3.

French Learning Goals 4 and 5: Direct Assessment: Capstone Final Comprehensive Exam Grading Rubric line 1 and Senior Capstone Conference Presentation Grading Rubric lines 1-5.

Indirect Assessment: Senior survey rubric

B. Plan for Annual Assessment

Every year, all of our programmatic LGs are assessed via the Capstone Final Comprehensive Exam (as evidenced via the Capstone grading rubric and the cycle of assessment form).

French Department Senior Survey

The French major at Hendrix resulted in my ability to:	Strongly Agree	Agree	Neither Agree nor Disagree	Disagree	Strongly Disagree	Not Applicable
Communicate orally in French.						
Understand spoken French.						
Write accurately, convincingly, and in a logical, organized fashion in French.						
Read, understand, and analyze texts written in French.						
Understand different cultures of the French-speaking world.
