Hendrix College students actively and reflectively engage with multiple communities by:						
MC1	· understanding the past, present, and future needs of the earth and of humanity, and of the challenges of our interdependence				X	
MC2	· considering ethical conundrums from conflicting perspectives				X	
MC3	· bringing their experiences in the wider community back to the classroom to enhance their course of study			X		
The Hendrix College community supports these goals by:						
C1	· fostering an awareness of different cultures through a commitment to diversity and inclusion					X
C2	· providing opportunities for students to confront the diverse challenges and needs of our shared communities in order to inspire them to lead lives of service					X
The college community provides opportunities for students to develop as whole persons in their personal and professional lives by:						
WP1	· guiding students in examining their abilities and strengths				X	
WP2	· helping them recognize how their skills can work for them and for the good of others, both now and in the future				X	
WP3	· providing tools and opportunities to prepare our students for their prospective professional lives		X			
WP4	· striving to inspire students to lead lives of accomplishment as both leaders and team members					X
WP5	· encouraging their development into individuals who are independent, responsible, and attentive to their own mental and physical well-being		X			
WP6	· nurturing their life-long love of learning, both about themselves and about the world as curious, creative, and active participants in life and in their communities.			X
