

## **Area V Climbing Wall Monitor**

### Short Job Description:

- ❖ Monitor and ensure the safety of climbers on the Hendrix College climbing wall during AGS hours.
- ❖ Belay new climbers or climbers without a belay certified partner.
- ❖ Instruct belay certification and encourage climbers to become belay certified.
- ❖ Conduct regular inspections of climbing wall equipment.
- ❖ Consistently and strictly enforce the rules and conduct standards of the climbing wall.
- ❖ Ensure that visitors to the climbing wall feel safe, welcome and comfortable during their use of the Wellness and Athletic Center (WAC) facilities.
- ❖ Be professional and approachable.
- ❖ Complete other tasks as assigned by the AGS WAC Manager and AGS Administrative Manager in order to ensure that the climbing wall area is operating safely and for the benefit of AGS.
- ❖ This position is supervised by the AGS WAC Manager(s) and the AGS Administrative Manager.
- ❖ Requires Hendrix Belay Certification (may be obtained through AGS at no cost)
- ❖ Requires CPR and First Aid certifications (may be obtained through AGS at no cost)
- ❖ Preference will be given to those candidates with prior climbing wall monitor experience, safe climbing records, and experience teaching climbing skills.
