

How would you assess your overall experience of AGS?

I wouldn't trade it for the world. I am a better, more aware person because of AGS.

Unforgettable. I wish I could come back and take other courses.

WHOOOOO HOOOO – But I wish we had more time in Area I.

I had the time of my life here, I don't regret anything and am so thankful I got to be a part of this.

I wish there was more of a balance of conservative and liberal views presented and defended. I felt like such a minority here. (I'm conservative.)

Enriching. It broadened my understanding of my state, self, and the world around me. It instilled in me a new desire to understand all things.

Overall, I've found out who I am. I've been reassured of my beliefs and I've meet a small, but significant, group of friends. In one word, it has been SIGNIFICANT.

This has been a wonderful experience. I thoroughly enjoyed it and feel as though I have been productive and learned a lot.

Definitely the best summer of my life! I've made so many new friends, and my classes were great. I was worried about spending so much time away from home, but I'll never regret it.

On a scale of 1 to 10, I think I would honestly give this a 10. (one being bad and 10 being great)

AGS was fantastic. I loved my time here and really wish it had been the six week program. Many activities were awesome and Gospel Choir was one of the best.

On a scale of 1 – 10 with 1 being terrible and 10 being life changing, I would say it was a 5, but I think going to ASMSA has already taken most of the glory in this similar setting.

Life-changing, it personally helps you find yourself, love yourself and respect others.

I DON'T WANT TO FREAKING LEAVE!

Overall it was enjoyable. There were things I didn't like. Thanks.

Awesome. Reminds me of ASMSA, but more chill.

It was amazing. I loved that it was such an open, creative, and safe environment. It makes me want to stay forever.

7 out of 10; ignoring Area II, 9.5 of 10

Loved it! Six weeks would have been awesome.

It was awesome.

It was amazing.

Great! One of the best experiences of my life. I've met so many new people, learned so much about myself and I truly believe I now have a second family. I loved my Drama – Area I. I loved Gospel Choir (woo) and I don't want to leave. Let me live here forever!

My overall experience at AGS has been very good.

I loved it. Couldn't have been a better summer. I hope more can have the same experience.

I loved it. I don't want to go home. No chores and making my own decisions were great. The food was awesome.

An experience I will never forget.

I would give it a 10/10. Even with its pitfalls, I couldn't have asked for a better experience.

It was amazing. I wish the entire world was like this.

Great. I'm very glad I came. Wouldn't take it back.

It was amazing. First few days were slow, but after that the weeks flew by. Dinner was a little early for me, but the option to order food/snacks solved that. The classes were all interesting, and I would do this again.

It couldn't have been a better one. This place has changed me in more ways than one. Thank you!

Very beneficial to any student wanting to attend college.

Wonderful! I'm sad I won't get to do it again, and I wish I had more time.

It was amazing! I never want to leave.

I think it's been very beneficial.

Wonderful.

It was one of the most amazing experiences in my life.

It was slow at times, but somewhat enjoyable.

I loved it.

It was mind opening, exhilarating and fantastic.

It broadened my mind and was worth the four weeks.

Best of life, thus far.

Amazing – would love to stay longer.

AMAZING! I couldn't have asked for a better time.

AGS was a positive learning experience that made me more aware of myself and of external forces and influences. It was also the best four weeks of my life.

Well, well-worth four weeks.

1 - 10? 11

This past month has been life changing. I will miss this environment greatly.

I never want to leave. Everyone is so amazing.

It was fun! I learned a lot and met new friends.

It was wonderful. I had an unforgettable summer.

8/10. Learned a lot. Made friends.

ASTEROUS!!!

Perfect.

The AGS experience is a once-in-a-lifetime experience and is enormously enjoyable.

Really good, but not "life-changing".

To quote Kevin Spacey in American Beauty. "Spec-tacular.

AGS is an experience every youth feeling a little lost or trapped should have. It makes life seem much more wonderful.

I really enjoyed all of my classes and all of the staff.

AMAZING, couldn't have been better!

AGS is probably one of the greatest experiences of my life. The people rock, the program rocks, and everything else rocks.

AGS was amazing. I made some amazing friends and had a wonderful time. I just wish I had more from Drama.

It was pretty awesome. Life-changing and never to be forgotten.

I loved it.

Fantastic. I loved every minute.

AMAZING. I don't want to leave!

AGS was well worth my time.

I had a good time and learned quite a bit.

It was a life changing experience. I came out more knowledgeable about Social Science and made a ton of new friends.

Overall 8/10. Most activities were well organized and fun. Area II and III (and I) were so amazing. Area IV should have and could have been better. Gospel Choir was the best thing ever.

It was a great experience. I would encourage it.

It was wonderful. I wish the rest of the school year could be like this.

It was absolutely amazing! So glad that I had this opportunity; truly life-changing.

It was an unforgettable four weeks.

Very enjoyable.

It's been a lot of fun. I've met a few new people, but I think I'm going to miss teachers more than colleagues.

Best experience of my life!! X 1000

Very good. I'll miss AGS so much.

It was the greatest experience of my life!

I'm going to miss it here a lot. I really had a lot of fun and I don't want to leave. Gospel Choir was so much fun, too. I LOVE Pam!

1000000/10, I absolutely loved it. I had a hard time deciding if I wanted to come here because I had to choose between this, a trip to France, and a free trip to Japan, but I'm glad I came.

I loved AGS! I learned so much.

I intend on recommending this to anyone who will listen. This has been one of the best things that has happened to me.

OUTSTANDING!!! I value myself as a person so much more because the people are much nicer than those at my high school.

AGS is an experience I will never forget. This has been an amazing summer and I will carry this experience with me throughout my life. Thank you.

It was a blast! This was a very eye-opening experience and I loved being here! I want to come back so bad!

I really liked the social experience at AGS. Meeting new people and finding friends from all over Arkansas was fun. AGS is amazing.

It was wonderful. I will never forget it.

It was not as good as I had hoped. I don't regret coming, but I would not come back.

My overall experience at AGS was great. It has definitely been the best experience of my life so far.

I had a wonderful time and I feel like it has really broadened my world view.

Perfect.

I am going to miss it so much!

I will encourage everyone to apply and come here. Best experience in my life so far.

Life changing is all I can say. I wish it was all year long.

AGS has benefited me in so many ways. This experience has been amazing. I wish it had been six weeks.

I had a good time, I think the selection process needs to be better because I feel that I was a much more qualified for my first choice, but I got my second choice.

I have been to conferences and things like AGS and AGS has been the best so far! I don't want to leave.

I loved it and am happy I came! Thank you to all the wonderful people that made it happen.

It was really fun. I wish the program was six weeks instead of four.

I loved being here and wish I could stay longer. I learned many valuable life lessons and also met some amazing people.

AMAZING! I had such a great experience that I wouldn't trade it for anything.

I thoroughly enjoyed AGS. It got me acquainted with a college environment, I made many new friends and my classes were very intriguing.

On a scale of 1 to 10...100! I just wish we could've had 7/4/12 off from classes and that deli meat and romaine lettuce could have been offered in the cafeteria.

Best time ever.

Awesome because I met new people, learned things I probably won't learn anywhere else and opened my mind a lot.

LOVED IT.

FANTASTIC! A challenge and a reward simultaneously. I'm sad that it is over.

I really enjoyed the month I spent here. Coming from ASMSA, I can't say it was life changing because it is similar to home. However, there were some amazing 4:10/6:10s. I learned some stuff, and I had fun that's what's important.

I loved AGS. I feel like a new person who is ready to spread my wings and enter into the world ready to go.

Five stars, two thumbs and big toes way up, snaps and claps all around.

8/10 (The missing 2 is my own fault.)

Best experience of my life.

Fantastic! I will recommend it to everyone at my school so hopefully a lot of people will apply.

Awesome, best experience of my life!

FUN! The best thing I've ever decided to attend.

AGS was so awesome. I seriously don't want to leave! This experience was great and it changed me a lot in a good way. Gospel Choir...the best part! It should never leave. I love the diversity.

It was better than I thought. I am glad I came.

Most classes were challenging/thought provoking and there were many interesting and fun extra-curricular activities.

Amazing, really sad to leave. Awesome experience in so many ways.

I learned a lot and had fun, I don't want to leave.

It was great. Loved meeting new people, trying new things. Loved the activities with Molly and Suzy Q.
Overall: Great.

Awesome!

I would recommend AGS to anyone and everyone.

I enjoyed it; too much atheism and evolution though.

I would say it's easily one of the better things I've done.

I would live here forever if I could; wouldn't change a thing.

Awesomeness in a can.

Life-changing.

It was amazing. I learned so much, made so many friends, and now feel like I am a little more prepared for college.

AGS was too much fun. I would like to stay longer.

Best experience of my life. I NEVER want to leave. I can't even describe how awesome AGS is and how happy I am to have been accepted.

10/10

It was an amazing experience, lots of fun activities, fabulous seminars, and loved the ideas presented.

It was pretty darn cool.

I love it. I made a whole lot of really great friends and had some really amazing instructors.

They definitely owe us two more weeks. I do feel cheated, and I feel I didn't get a "full" experience.

AGS has been a great experience for me. I have loved the people I have met and the relationships I have made. I have been challenged in what I believe and in my way of thinking and how I view the world. My desire to learn has been fostered and cultivated. I enjoyed AGS a lot. I really think the program is necessary to counteract Arkansas' "brain drain".

Supercalifraglisticexpalidotious. Simply wonderful I want to come back as an RA.

As everyone said before me, it was the most amazing experience of my life. I don't regret any second of it.

It was really awesome! I met great people, had great classes, and made some fond memories.

I loved it.

I enjoyed AGS about equally to the enjoyment found in the average slave Jew in the train to Auschwitz.

Phenomenal.

Pretty good.

On a scale of 1-10, I would say an eleven.

I had a great time overall; however, I am now very tired. We need nap time!!

Wonderful, loved every second.

Amazing! Wish I could do it again!

I would assess it as an experience that will last a lifetime.

It was amazing. Very eye-opening and a lot of fun.

I was a little homesick, and the food was kind of blah, but it was a great experience.

I wish we had 6 weeks instead of 4.

I absolutely LOVED it! It has given me a renewed hope for humanity. (Especially in Arkansas)

I loved it. I would do it a hundred times over if I could. We should have had an extra two weeks.

Absolutely amazing.

It was great! Wish we had more time in Area I.

I have really enjoyed it! It's been the highlight of my summer by far.

A very good one. The social aspect meeting people, that's what really made it.

EXTREMELY POSITIVE.

Okay, not wonderful. Certainly not life changing.

Gospel Choir was the best part of AGS. It should be a required event.

Best four weeks of my life.

It was one of the best experiences of my life and I am so glad I got to experience it.

I loved being at AGS. The heat wasn't the best but the classes were interesting and there were so many fun and exciting events.

I had a great time, met great people and I'm so glad I had this experience.

It was great, but I really miss my family and pets. I'm glad I came. I learned a lot.

It was a good experience especially Area II and Gospel Choir.

A positive experience and eye opening.

Very awesome! Learned so much about myself and made lots of friends.

I don't want to go home. This is the best environment I've ever been in. It's been phenomenal. I've changed in such a positive way, but I still have room to grow. I never want to leave. I wish it had been six weeks.

I had a wonderful time.

One of the best experiences of my life.

Great, I hope to take what I learned and implement it at home.

Awesome! 20 out of 10!

I just wish it never had to end.

Amazing. Loved the environment.

The best thing I've ever done.

WOOHOO

Beneficial, my favorite part was meeting new open minded people.

It was amazing!!! I loved being at AGS, and I'll be sad to leave.

1-10: 10

Best four weeks of my life.

It was good. I really enjoyed my Area I class and the others were great, too. I learned a ton about myself and the world I live in.

Pretty wicked awesome.

I'd do it again in a heartbeat.

Loved it.

Wish it were six weeks.

Beneficial and some fun on the side.

AGS was one of the best experiences of my life. I just wish it would've been the 6 week program. I have made many friends this month and have been able to learn and develop myself a lot more.

It was well worth it.

It opened my mind to new possibilities and allowed me to get to know other people and myself a lot better.

I loved it! I wish it was weeks because it's over too soon. I wish there were more mixers also.

Good and fun but not the time of my life.

Felt like it was quite biased in some aspects. Yes, I understand government pays for it so they kind of decide what is taught but it would be better if it was more balanced. Also some required seminars were irrelevant and very boring.

It was AMAZING. It has been an incredible experience and has actually had a significant impact on me. I loved it.

I'm so thankful that I was allowed to take part in this wonderful experience. I've gained so much, and I'll never forget it.

I loved AGS! It was one of the best experiences I've ever had. I wouldn't trade this experience for anything. I met so many new people and learned so many new things.

AGS was absolutely wonderful, and I would recommend it to others.

It was definitely life changing and if I could, I would come every summer.

Literally one of the best experiences of my life.

My overall experience at AGS has been great. I would love to come back. It wish it was 6 weeks.

It was wonderful. I learned a lot about my Area I, myself and others!

Very sweet. But now, mostly bitter because my desire to go home is relatively non-existent.

I would say that it was one of the most incredible experiences of my life.

Life changing. One of the best decisions I've ever made.

One of the most memorable.

AGS was a very good experience. I met a lot of interesting people and learned a lot.

One of the best times of my life.

Very good.

As someone who wasn't very excited about coming, I had a great time that I do not regret.

Very enjoyable. I learned a lot.

Amazing. Life-changing-Life "balancing" really, simply amazing.

It was eye-opening and fun.

It was AMAZING! Best month of my life. I wish I didn't have to leave.

Definitely, worth it. I was scared at first, but I think I'm okay.

Wonderful! Met great people/learned new things.

It was really nice and fun. It provided a great place to grow and make friends.

A great experience Very educational, and I feel motivated by everyone here around me.

I had a great time while I was here.

It was awesome! Loved it!

Truly amazing, I wasn't prepared for the experience.

My overall experience at AGS was awesome. I loved every minute of it.

I had a good time. The people here were the best part.

A once in a lifetime experience that I would trade for nothing, ever, anywhere.

It is something I will never forget and will take so much away from it.

I wouldn't have traded this for anything. Even though I had to make sacrifices to come here it was worth it. This was such an amazing experience and I feel blessed to have been a part of it.

Great, great experience. Although more for the social part than the classes, I had a very good time. I will remember this time.

I loved it! I was nervous at first, but now I don't want to leave. My only complaint is that we didn't get six weeks.

It was one of the best experiences of my life. I would do it again if I could. I wouldn't trade it.

AMAZING.

I enjoyed the experience, and I am glad I came.

It was amazing! I loved every bit of it and don't want to go home.

AGS, in my opinion was an incredible and life changing experience.

Amazing doesn't even begin to describe it. Everything about his place was great. I enjoyed the community we built and the lifelong friends I made.

FANTASTIC! I have met so many awesome people here and it has challenged the way I think about myself and society.

11 out of 10

It was amazing! I think it was a wonderful opportunity, and I'm so glad I came.

On a scale of 1 – 10 AGS is a 100!

It was fun and a changing, growing experience. I'm so thankful to have been here.

It was fun, tiring, exciting and worthwhile.

-10 or 10 I would say, a 10 all the way. I just wish it was longer.

AGS is very socializing and people are good.

I wish I had branched out more, but the activities and classes were good. Not life changing, but fun and interesting.

AGS was a great experience that has changed the way I think about things. I have met so many amazing people here.

I think it was an amazing experience.

I had a great time, and met a lot of awesome people. However, I think the program is a little overhyped.

It was fantastic! I enjoyed every day of it.

Awesome! AGS rocks.

So fun and amazing, I would love to do it again and wouldn't trade the experience for the world.

AGS was sooooo awesome. I'm a thousand times grateful that I was able to come.

A bit rough, but definitely worth it.

It was a very fun and rewarding experience. The main thing I take away from this was a bunch of new friends.

I absolutely loved the AGS experience. I felt like it provided a glimpse of what college would be like.

9/10

Life-changing, in a good way.

Life altering. Good stuff.

Very good.

I wouldn't trade it for a month of free summer.

It was completely wonderful and amazing.

Best Experience Ever!

Not life changing but not terrible.

Pretty awesome.

I loved the experience. It was unlike any other!

It was fantastic.

Awesome way to spend four weeks.

I wish I could stay longer. It was a great way to spend my summer, and I wish I could do it again.

Fine.

I had an amazing time. I wish I could come back next day and do it again.

Maimed by personal issues/conservatism/ elitism but good overall.

The greatest experience of my life.

My overall experience was fantastic.

At first, I absolutely hated it, and couldn't believe I was stuck here for four weeks. But now, I'm infinitely glad I came, and will never forget all I got to do.

AGS was great! I wish we had it for six weeks or that I could come back next year.

Absolutely amazing!! I would do it ten times over if I could! One of the best times of my life.

My overall experience at AGS cannot be described in so short a space. I enjoyed it very much...I am walking away not as a different person but as a more aware and mature individual. AGS is an experience I won't ever forget.

I am going to miss my teachers, friends, RAs, "caf" staff and oh no, the tears are coming...

I loved it here and would do it all again.

Very good and social.

Very enjoyable and memorable. I wish I could do it again.

10/10 I learned a lot about the world and myself.

I loved it. The people, the classes, the activities, the food (usually) I want it to be six weeks long!!!

It was worth coming, but overall it was a bit rough.

Who can say if I've been changed but because I went here, I've been changed for the good.

The best experience of my life. I cannot begin to describe how much this program meant to me because no words are worthy of describing the impact AGS has had on my life. If only we got to experience the six week program!

AWESOME, though dorm life could have been better. There were so many restrictions...

It was wonderful, and it will be bitter-sweet to leave.

I loved it. Even through all my illnesses, bug bites, bad fun. It was awesome.

The best summer I've ever experienced.

AGS was so great, life-changing!

AGS was an amazing experience – there are no more words to describe it.

An a scale of 1-10, a swimming pool in 103 degrees weather.

Like an exploding star, beautiful while it lasts, so loved every minute of it.

Pretty good time, overall.

Amazing. Good summer. Good people, good times.

I regret wasting a month here.

It was amazing.

It was life-changing. I will never forget the people, places, classes, and ideas from AGS.

I had a great time here, and I'm glad that I chose to come.

I love AGS. The best part was Gospel Choir. Gospel Choir helped me open up even more and learn a lot about myself on the inside.

Very beneficial, I learned how to meet new people and how to live by myself.

It was the best experience of my life.

It was good! A little too liberal for me, but good!

Very eye opening.

Overall, I am very proud of what I've learned and gained at this experience. There were some parts I didn't enjoy, I think I'm ready to go home.

It was well worth four weeks of my time.

I thoroughly enjoyed myself.

I learned so much here – both academically and emotionally. I wouldn't regret this experience no matter what.

I learned how to whistle, to play fooseball, to throw a Frisbee, and how to write a proof. I got a lot out of this.

AGS changed my life. It showed me that it's okay to be who I am. AGS gave me self-confidence (something I didn't have much of upon arrival) and showed me I have the power to make a difference.

I loved it. The food was good and dorm life was insightful. What I loved the most were my classes and the people here. I love the diversity and meeting people who either taught me new things or were able to relate to me.

I loved it and would recommend it to anyone. An environment in which education is so appreciated and is so refreshing.

AGS was awesome. I don't want to go home. Although one problem is that the majority of the students I have seen are from either northwestern Arkansas or central Arkansas. Me, being from southeastern Arkansas and the only one from my school, it is a low probability that I'll ever see them again.

I would do it again next year if I could.

There are no words that can describe the memories, laughter, knowledge, friendships and realizations that I have made through AGS this summer – it's truly unbelievable.

I went through awesome and hard times, couldn't have asked for better.

Life changing. IF this was a boarding school in Somalia I would pack my bags to go again. I feel like my mind will never be the same.

Thoroughly life changing. I have loved every minute.

My experience has been extremely positive; however, some of my friends told me their time here has been soured by a somewhat pretentious air among the student body.

Very enlightening, I'm excited about my generation. Gospel Choir was so fun! I wish we had more sleep and not bags under my eyes. Jim Rush is the coolest Area II teacher.

My overall experience at AGS was great! Sometimes the students weren't the nicest, but overall the instructors really made it a great experience and opportunity for me.

One a scale of 1 - 10 I'd say it was absolutely more than worth my while.

I really enjoyed AGS, I would definitely do it again and certainly recommend it to friends.

The AGS experience was better than I could have hoped. It was amazing!

Great experience! I matured a lot mentally. I know that I made life-long friends here.

It was life-changing. It was the best four weeks of my life so far. I hope I never forget this!

Coming from a big town and a great school, many things taught here I had already been exposed to; however, I had a great time with friends.

I guess I liked it. I'm not really a social person and would've liked more sleep but that was my own fault.

AGS is life changing! It broadens social horizons and critical thinking skills at every opportunity.

Awesome.

So much fun, such a learning experience. Really happy I did it.

A good experience, I learned and it was quite enjoyable.

Thought provoking experience.

Academically in terms of Area I classes it was amazing; other than that it was okay.

10/10 absolutely awesome.

Very fun and beneficial both socially and intellectually.

A 9 out of 10.

Phenomenal, fantastic, wonderful, awesome.

It was great, not life changing, but one of my best experiences.

Waste of time.

This has been the best month of my life, period.

10 out of 10 – great time.

Life changing.

Four weeks well spent in a great environment.

A fun experience that challenged me in ways.

I had the time of my life.

On a scale of 1 – 10, 9.

Great.

Amazing, life changing, thought provoking. More opportunities for experiences like this would change the world for the better.

Very fun. I learned a lot about my field but also about myself. I grew up a lot in these short four weeks. I learned that the world is my community.

A great life changing once-in-a-lifetime opportunity. 100/100

I LOVED IT! I'll miss it here so much.

It was eye-opening and life changing. AGS was so much fun, while at the same time being a great learning experience and giving students a chance to see life and concepts in a new light.

Pretty neutral – Area I – great; Area II – good; Area III – neutral but still very glad I came to AGS.

It was great.

11 out of 10

Life changing and eye opening.

It was very educational and engaging. I wish some teachers were a bit more accessible.

It was great other than some social problems.

AWESOME. I wish I had taken more advantage of it.

I don't want to leave behind all the amazing people I've met and the experiences I've had.

Absolutely amazing.

Incredible. Some minor things I didn't like but overall I loved it.

Interesting, fun and unique experience.

It was great, I've met a lot of people I genuinely liked to be around.

Great way to spend the summer.

AGS has been absolutely wonderful. I have met so many new people and really expanded the way I think about things. I'll definitely remember the experience I had at AGS for the rest of my life.

It took me a week or two to get used to the environment but once I did I started to enjoy it more and more.

It's definitely not what I expected, but so much more. I can't believe it's already over. I haven't majorly changed as a person, but I've taken more shape of who I want to be. I have more of a sense of duty to this world.

AMAZING! Great staff, great students, great everything!

I would say that this has been one of the best things I've ever done and I wouldn't hesitate to do it again.

AGS has helped me further my knowledge of Natural Science, become more comfortable making new friends and most importantly I am not scared about leaving home for college any more.

I AM SO LUCKY TO BE HERE.

I was in my first flash mob! And gospel choir was awesome! I really enjoyed everything from the food to visitation and I'm sad to leave.

It was very beneficial to my life. I would do it all again.

It was a great once in a life time experience.

Out of 1-12 I'd say 12. I had a blast and learned a lot.

How effectively did the Director (Lyle Rupert) promote a constructive environment at AGS?

Go Lyle Rupert!

Resist authority is the only feeling I got from Dr. Rupert.

Oh, he was great! He always had a smile on his face, which put us at ease.

He was nice! He made it clear he wanted us to have fun, and he really showed it. I really enjoyed listening to him.

Very well. Clearly, we all liked him. Good relatable personality.

The Director promoted a constructive environment very effectively.

Lyle did a wonderful job of constructing this grandiose event.

AMAZING! – Great staff, great students, great everything.

It's definitely not what I expected but so much more. I can't believe it's already over! I haven't majorly changed as a person, but I've taken more shape at who I want to be. I have more of a sense of my duty to the world.

I have no say in this area because I do not know what he did. All I know about him came from his appearance at events.

I never saw him except at required events, but he had a positive attitude towards the program and all the students.

Lyle Rupert did a great job of promoting a good AGS environment. Everyone loved him!

Lyle Rupert!

Pretty well.

Very effectively. I saw few if any flaws in the program.

Very well.

Lyle Rupert promoted a positive social and academic atmosphere.

Great jokes and squirrels ('nuff said).

AWESOMELY EFFECTIVE.

Terribly, outside of class anyway. No phones outside your room meant if you want to talk to friends back home you're sitting in your room not interacting with anyone here. Not letting us watch the NBA Finals meant I went from a large group of people who share a common interest in basketball on a TV to streaming the game alone in my room.

He was always kind and friendly. He seemed to promote the learning atmosphere.

Lyle did an amazing job.

I LOVE LYLE RUPERT.

Well, it was constructive. So I'm going to say it was effective. *Clap, clap clapclap *Lyle Rupert! *Clap, clap clapclap.

Very well! However, we didn't have that many interactions with him.

Lyle Rupert was very effective by showing that he was an authority figure, while enforcing rules in a down-to-earth kind of way.

Very effectively. I loved Lyle and I'm happy that I was able to have a nice, personal conversation with him while he was still in authority!

Very well. Everything was well structured, and everyone was super nice.

It was very constructive. I knew that we were going to be challenged and Lyle Rupert made sure to stress that. Lyle Rupert is awesome.

Everyone loves Lyle Rupert and I don't know anyone who thinks he did any less than fantastic.

Awesomely.

Very relatable and nice, everything was great.
