6:00							
7:00							
8:00							
9:00							
10:00							
11:00							
12:00							

For best use of this calendar, start by noting your class meeting times, then add in other obligations such as work, choir or athletics. Next, insert projected study time, time with friends and 'me' time. Time *is* on your side!
