The United States Public Health Service and the Centers for Disease Control and Prevention require that tuberculosis skin testing be performed on all individuals who may be at increased risk of tuberculosis as a result of a medical condition or previous residence in a country with an increased prevalence of tuberculosis. According to Arkansas law, if these requirements are not fulfilled, students will not be allowed to attend school at Hendrix.

Section 1: Check here _____ if you have any of the following possible symptoms of tuberculosis:
- Unexplained elevation of temperature for more than one week
- Unexplained weight loss
- Unexplained night sweats
- Unexplained persistent cough for more than three weeks
- Unexplained cough productive of bloody sputum

Section 2: Check here _____ if you have had any of the following risk factors for tuberculosis infection:
- Close contact with a known case of active tuberculosis
- Use of illegal injected drugs
- HIV (Human Immunodeficiency Virus) infection
- Healthcare worker
- Resident or employee in a congregate living setting (nursing home, homeless shelter, correctional facility)
- Internal malignancy
- Gastrectomy
- Silicosis
- Diabetes mellitus
- End-stage kidney disease
- Long-term immunosuppressive therapy
- Greater than 10% below ideal body weight

Section 3: Check here _____ if you have lived for six months or more in any of the following areas with a high prevalence of tuberculosis, as defined by the Centers for Disease Control and Prevention:
- Africa (all countries)
- Asia (all countries)
- Central America: Belize, Costa Rica, El Salvador, Guatemala, Honduras, Mexico, Nicaragua, Panama
- Eastern Europe: Albania, Armenia, Azerbaijan, Belarus, Bosnia/Herzegovina, Bulgaria, Croatia, Czech Republic, Estonia, Georgia, Hungary, Kazakhstan, Kyrgyzstan, Latvia, Lithuania, Moldova, Poland, Romania, Russia, Serbia/Montenegro, Slovak Republic, Slovenia, Tajikistan, Turkmenistan, Ukraine, Uzbekistan
- Mexico
- Middle East: Bahrain, Cyprus, Iran, Iraq, Israel, Jordan, Kuwait, Lebanon, Oman, Qatar, Saudi Arabia, Syrian Arab Republic, Turkey, United Arab Emirates, Yemen
- South America (all countries)

Note: You are required to provide proof, including measurement, of a recent skin test performed in the United States. This may be performed by a licensed physician or a state health department. Otherwise, it is mandatory to contact Student Health Services for tuberculosis skin testing.

If you have checked any section, you are required to call Student Health Services at (501) 450-1448 or e-mail healthandcounseling@hendrix.edu for further evaluation and a possible tuberculosis skin test.

Please fax this completed form to 501-450-3843 or mail to:
