The Hendrix Application for Admission is available online at www.applyweb.com/apply/hendrix/
Admission Criteria

Hendrix College is a selective institution, admitting students who demonstrate significant academic achievements and are well prepared for the rigorous curriculum of the College. Hendrix seeks students of varied interests and talents, representative of many social, economic, cultural, and geographical backgrounds.

Admission is based upon an overall review of each applicant rather than on a single factor. The following general criteria have been found most useful in selecting applicants: demonstrated academic competence; scholastic potential; personal motivation (in particular, motivation to take advantage of an education at an institution with the aims and programs of Hendrix College); ability to express oneself in writing; and character and leadership.

Admission Decision Process

The application for admission cannot be presented to the Committee on Admission until all of the required credentials have been received. These include: the completed application, $40 application fee, official transcript(s), ACT and/or SAT scores, the School Report, and other documents as requested.

Offers of acceptance for the fall semester are extended on a “rolling” basis beginning in October and continuing until the class is full (usually the following spring). At that time a waiting list is initiated and applicants may be offered admission as spaces in the student body become available.

The application fee is waived for those who apply by December 1, those who bring their application with them during a visit to campus, or those who apply online (www.applyweb.com/apply/hendrix/).

Students submitting a completed application by December 1 will be notified of the admission decision by December 20.

After an offer for admission is made, a position in the student body may be secured by submitting the $350 enrollment deposit along with the Enrollment Agreement and Housing Application Form.

Most admission decisions are based upon a sixth or seventh semester high school transcript. However, receipt of a final transcript indicating final grades in all work attempted is required by June 30 after the senior year. Hendrix reviews all final transcripts to ensure the student has finished his or her high school program in the strong manner characteristic of Hendrix students. A student's failure to complete all work attempted in a satisfactory manner may result in reduction or loss of any scholarships offered by Hendrix and/or withdrawal of the offer of admission.

Scholarships

All applicants who are admitted to Hendrix College and meet the scholarship requirements will automatically be considered for academic scholarships.

TEST INFORMATION
In considering the application for admission, we require either the ACT or SAT scores of all freshman applicants and the TOEFL scores of all international applicants. Be sure to have a copy of all your scores sent to the Hendrix Office of Admission. The Hendrix SAT code is 6273 and the Hendrix ACT code is 0128. Please list your scores or test plans below:

Hendrix College affirms its desire to evaluate students on a holistic basis, and thus will continue to utilize standardized test scores as one component of the application review. The College will accept either the SAT Reasoning Test or the ACT with optional Writing Test. Hendrix College shows no preference on which test or version is taken, but we strongly encourage all applicants to take one of the tests during their senior year.

SAT: Hendrix will focus on the Critical Reading and Math sections. The Writing component is useful in our overall admission review as a check against the applicant’s essay. The College will continue to cross scores from different test dates.

ACT: Hendrix will focus on the English, Math, Reading, and Science sections. The Writing section, if taken by a student, is useful in our overall admission review as a check against the applicant’s essay. The College will continue to cross scores from different test dates.

Hendrix seeks students of varied interests and talents, representative of many social, economic, cultural, and geographical backgrounds.

Admission is based upon an overall review of each applicant rather than on a single factor. The following general criteria have been found most useful in selecting applicants: demonstrated academic competence; scholastic potential; personal motivation (in particular, motivation to take advantage of an education at an institution with the aims and programs of Hendrix College); ability to express oneself in writing; and character and leadership.

Admission Decision Process

The application for admission cannot be presented to the Committee on Admission until all of the required credentials have been received. These include: the completed application, $40 application fee, official transcript(s), ACT and/or SAT scores, the School Report, and other documents as requested.

Offers of acceptance for the fall semester are extended on a “rolling” basis beginning in October and continuing until the class is full (usually the following spring). At that time a waiting list is initiated and applicants may be offered admission as spaces in the student body become available.

The application fee is waived for those who apply by December 1, those who bring their application with them during a visit to campus, or those who apply online (www.applyweb.com/apply/hendrix/).

Students submitting a completed application by December 1 will be notified of the admission decision by December 20.

After an offer for admission is made, a position in the student body may be secured by submitting the $350 enrollment deposit along with the Enrollment Agreement and Housing Application Form.

Most admission decisions are based upon a sixth or seventh semester high school transcript. However, receipt of a final transcript indicating final grades in all work attempted is required by June 30 after the senior year. Hendrix reviews all final transcripts to ensure the student has finished his or her high school program in the strong manner characteristic of Hendrix students. A student’s failure to complete all work attempted in a satisfactory manner may result in reduction or loss of any scholarships offered by Hendrix and/or withdrawal of the offer of admission.

Additional information on applying to Hendrix, timelines, and financial aid can be found on the back cover and inside back cover of this booklet.
