Imagine.

Imagine the quintessential small, residential, liberal arts college. Imagine what it must be like to live there, walking with your friends across the well-kept campus to attend classes and labs in elegant, classic, red-brick buildings. Imagine having a theatre, an art gallery, like to live there, walking with your friends across the well-kept campus to attend classes

Imagine the quintessential small, residential, liberal arts college. Imagine what it must be like to live there, walking with your friends across the well-kept campus to attend classes and labs in elegant, classic, red-brick buildings. Imagine having a theatre, an art gallery.
It’s not Utopia — but it’s close.

Hendrix is a truly egalitarian community, where you are accepted wholeheartedly for who you are and what you are. When you visit campus, you’ll discover for yourself what sets us apart from other schools — our college’s friendly, open, honest, unpretentious character.

We keep it real.

No one will judge you by the clothes you wear or the car you drive up in. You don’t have to put on a show for us — just be yourself. We look forward to getting to know the real you and introducing you to the real Hendrix.
Some of our students tell us that the sound of pecan shells underfoot in our Pecan Court replicates the "delightful crunch" of snow — without the cold!
At Hendrix, you don’t just visit campus, you experience it. And the best way to do that is through a customized, individual campus visit. You can schedule a visit anytime during the year, although we encourage you to come when classes are in session and student activities are in full swing so you can experience a real taste of Hendrix campus life. Just give us a call at 1-800-277-9017.

Things to do during your individual Hendrix experience:

- Attend a class
- Take a student-led campus walk

- Meet one-on-one with an admission counselor
- Have lunch in the cafeteria
- Meet individually with a faculty member and/or a coach*
- Stay overnight with a student (high school seniors only)*
