## THAD MCCRACKEN - HEAD COACH

FIRSTYEAR | HANOVER '04

Thad McCracken, a Bedford, Ind. native, enters his first season at the helm of the men's basketball program after a standout 2009-10 season as the Hendrix women's head coach.

McCracken first served as the men's assistant coach under Dan Priest's tenure for four seasons (2005-09) and was named the head women's coach after Chris Hitchcock resigned following the 2008-09 season.

McCracken guided the Warriors through one of the most exciting women's campaigns in Hendrix history with its first Southern Collegiate Athletic Conference (SCAC) Western Division title after finishing 20-5 overall and 13-3 in SCAC play. Hendrix's post season run ended with an 86-77 loss to Centre College in the semifinal round of the conference tournament.

He takes over a men's team that won just seven games last season and will look to bring back a winning tradition. "I expect our upperclassmen to bring back the winning mentality like we had in years past. I think they need to accept nothing less than their best, continue to work hard every day, bring out the best in their teammates and lead by example. I hope to see a lot of discipline out of my team. I hope fans will see a defensive minded team that pays attention to details and plays with a lot of discipline."

McCracken's first coaching position was at Transylvania University (Lexington, Ky./NCAA D-III) as an assistant coach, where he helped lead the Pioneers to a Heartland Collegiate Athletic Conference (HCAC) Championship in 2004-05.

While he was coaching at Transylvania, McCracken earned his master's in Sports Administration from Eastern Kentucky University.

A 2004 graduate of Hanover College, McCracken earned a bachelor's in Business Administration. He won four HCAC Championships and made two NCAA D-III National Tournament appearances during his playing career at Hanover.

McCracken was honored as a NCAA D-III All-American and HCAC Player-of-the-Year his senior year and HCAC Tournament MVP his junior year. McCracken holds the record for most 3-pointers in a season (76/2003-04) and is tied for most career 3-pointers (216/2001-04) in Hanover's rich program history.

"I played for a winning program at Hanover and losing was never something we talked about," said McCracken. "We need to change the mindset here at Hendrix after a tough season last year and get the team to believe in themselves and look at the schedule without thinking there is anyone we cannot beat. I think they are ready to win and prove to people that they have the talent and are a team to be reckoned with in the SCAC."

## DREW GAENG - ASSISTANT COACH

SECOND YEAR | ROANOKE '09

Drew Gaeng enters his second season as the men's basketball assistant. Gaeng was a standout point guard for the Roanoke College (Salem, Va.) Maroons. He served as Team Captain for Roanoke his senior year and led the team with 46 3-pointers, 74 assists and averaged 6.7 points per game. Gaeng guided the Maroons to a 13-game win streak to start the 2008-09 season and was ranked as high as 18th in the D3Hoops.com National Top-25 poll.

Gaeng earned his bachelor's in Business Administration with a concentration in Finance, and Minor in Economics from Roanoke in the spring of 2009. He began his collegiate career at Mount Saint Mary's University (Emmitsburg, Md.) from 2004-06. Gaeng graduated with Valedictorian honors from Governor Thomas Johnson High School in Frederick, Md.

Gaeng resides in Conway and enjoys spending his free time in the gym and competing in intramural sports.

# THE SCAC

## History of the SCAC

The Southern Collegiate Athletic Conference (SCAC) celebrates its 25th Anniversary in 2010-11 with countless memories of a proud and storied past and visions of an exciting future.

The SCAC was founded and began operation on September 1, 1962, as the College Athletic Conference (CAC). The league's first primary mark is pictured on the left.

Centre College of Danville, Kentucky; Southwestern at Memphis (Tennessee) (now known as Rhodes College); The University of the South of Sewanee, Tennessee; and Washington and Lee University of Lexington, Virginia, were the four charter members of the conference. Later in 1962, Washington University of St. Louis, Missouri, became the fifth member and the CAC remained unchanged until 1972.

Following membership changes throughout the 1970s and 1980s, the conference went through restructuring and renaming. With the addition

of Millsaps College of Jackson, Mississippi, and Trinity University of San Antonio, Texas, in 1988 and Hendrix College of Conway, Arkansas, and Oglethorpe University of

Atlanta, Georgia, in 1991, membership reached a then all-time high of eight.

That same year (1991), the conference renamed itself the Southern Collegiate Athletic Conference, hired its first full-time commissioner - Stephen P. Argo - and a permanent conference office was established in Atlanta, Georgia. As part of restructuring, the league also adopted its current primary mark (pictured right) and adopted blue (pms 287) and gold (pms 131) as the official colors of the conference.

Membership changes continued throughout the '90s. The SCAC added Southwestern University of Georgetown, Texas, in 1993 with participation beginning in the 1994-95 academic year. In 1997-98, the SCAC added both DePauw University of Greencastle, Indiana, and Rose-Hulman Institute of Technology of Terre Haute, Ind., with participation beginning in 1998-99.

As part of a year-long celebration in 2005-06, the league celebrated its 15th anniversary as the restructured SCAC. The league adopted a special anniversary logo (pictured left) and as part of the celebration, 15th anniversary teams were selected for all conference sponsored sports.

After Rose-Hulman announced its intentions to leave the conference, Austin College and Colorado College were confirmed as the 10th and 11th members of the league in 2006 with participation beginning in the 2006-07 academic year.

Birmingham-Southern College of Birmingham, Alabama, a former member of the Division I Big South Conference, was approved as the 12th member of the SCAC and began play in 2007-08.

On the national athletics stage, the SCAC has had its fair share of success - both in terms of team championships (six) and individual championships (19).

## SCAC Academic Profile

The SCAC and its member institutions are committed to maintaining high academic standards. The member institutions are committed to the principle that a quality college athletics program is beneficial to the well-being of an institution in that it benefits the entire campus community as well as the student-athletes.

With 11 of the 12 member institutions maintaining Phi Beta Kappa chapters (Hendrix included) on their campuses, the SCAC boasts some of the most prestigious colleges and universities in the nation. SCAC schools are consistently ranked among the top 50 colleges and universities in the nation in such respected publications as Barron's, Peterson's, Princeton Review and National Review College Guide.

## 2009-10 SCAC ANNUAL AWARDS

**2009-10 SCAC Player of the Year:** Kola Alade (Austin College)

**2009-10 SCAC Co-Newcomers of the Year:** Andrew Galow (Rhodes College) and Jasen Jonus (Birmingham-Southern College)

**2009-10 SCAC Defensive Player of the Year:** Alex Lloyd (Centre College)

**2009-10 SCAC Coach of the Year:** Rodney Wecker (Austin College)

In exclusive voting by the head coaches of the Southern Collegiate Athletic Conference (SCAC), senior guard Kola Alade of Austin College was selected as SCAC Men's Basketball Player of the Year while 'Roos head coach Rodney Wecker was named the league's Coach of the Year. First-year guard Andrew Galow of Rhodes College and sophomore guard Jasen Jonus of Birmingham-Southern College split the vote to share the league's Newcomer of the Year award while junior center Alex Lloyd of Centre College was named the SCAC Defensive Player of the Year.

Alade was the heart and soul of an Austin College squad that matched a school record with 19 wins and earned the top seed in the SCAC West this season. During the regular season, Alade ranked in the top 10 in the league in scoring (15.6 points per game – fourth), steals (1.7 per game – fifth), field goal percentage (49.3% - third) and free-throw percentage (73.5% - seventh). A three-time all-SCAC performer, Alade was the league's career scoring leader among active players with 1,356 points – which ranks sixth all-time in Austin College history. A three-time SCAC Player-of-the-Week selection over his career, Alade is the first male student-athlete at Austin College – which joined the conference in 2006 – to earn Player-of-the-Year honors in any sport.

Wecker, in his third season with Austin College, led the 'Roos to a 19-6 overall mark, a 12-4 conference record, and the No. 1 seed from the SCAC Western Division in the conference tournament. Since Wecker took over the Austin College program in 2007-08, the program has been on a steady climb. After posting a 9-17 mark his first season, the 'Roos posted a 13-13 mark in 2008-09 and the 2009-10 squad equaled the school record for single-season wins with 19. In very tight balloting, Wecker received four votes for Coach of the Year followed by Pat Cunningham of Trinity University with three votes. Greg Mason of Centre and Mitch Cole of Birmingham-Southern received two votes each while Bill Fenlon of DePauw University received the remaining vote.

Galow was the only first-year player in the conference to average double digit points (10.2 points per game), and also added 3.2 assists (eighth in the SCAC) and 3.4 rebounds per game. He was second in the SCAC in free-throw percentage (86.6 percent) and also in the top five in minutes played, the only freshman ranked in top five. Galow led the Lynx in scoring on five separate occasions. Jonus was one of the SCAC's best three-point shooters all season – finishing third in the league in three-point field goal percentage (41.0 percent) and fourth in three-pointers made per game (2.7). He was Birmingham-Southern's second-leading scorer at 11.5 points per contest. Jonus, who played the final eight games of the season with a torn PCL ligament, posted his numbers while playing only 18.9 minutes per game.

Centre's Lloyd ranked 34th in the nation in blocked shots per game (2.0 – second in the SCAC) and 25th in rebounds per game with 9.7 – which led the SCAC. The Colonels ranked fourth nationally in scoring defense and sixth in field goal percentage defense nationally and Lloyd plays a big role in those rankings. He was the team's leading rebounder or tied for the team-high in 16 of Centre's 23 games this season.

# ATHLETIC FACILITIES

## HENDRIX ATHLETIC FACILITIES RANKED 13TH IN NATION

Hendrix College has always been considered one of the country's best institutions for undergraduate education, however, according to the Princeton Review the Warriors' three-year-old athletic facilities ranks among the best in the nation.

The Princeton Review recently praised Hendrix College for its new Wellness and Athletic Center, Bob Courtway Pool and four outdoor playing fields by ranking it 13th in the country among all 2,500 four-year colleges. That includes all NCAA Division I, II and III schools.

Hendrix joined Wabash College (Crawfordsville, Ind.) and Middlebury College (Middlebury, Vt.) as the only other NCAA Division III schools to make the Top 20 list. Hendrix was also the only Southern Collegiate Athletic Conference (SCAC) school on the list.

The Warriors finished construction of their new athletic facilities in August of 2007. The new buildings and playing fields replaced the 46-year-old Grove Gymnasium. Hendrix has also recently finished construction of the new Student Life and Technology Center, which has been erected on the west side of Harkrider where Grove Gymnasium formerly sat.

*(Front view of the Wellness and Athletic Center)*

"Our new athletic facilities have helped us, along with the great work of our coaching staff, to increase the number of student-athletes participating in our 19 sports from about 180 a few years ago to over 350 this year," said Athletics Director Danny Powell.

The SCAC has given Hendrix the opportunity to show off its new state-of-the-art facilities by appointing the school as host of the 2008 and 2009 SCAC Men's and Women's Basketball Championships, 2009 SCAC Field Hockey Championships, 2010 SCAC Softball Championships and 2010 SCAC Outdoor Track & Field Championships.

The SCAC has chosen Hendrix as a host school for its conference championships because of the central location in the conference, ability to run on-campus tournaments and the abundant hotels and restaurants Conway has to offer.

One of the greatest aspects of Hendrix Athletics is the affordable admission to its 19 sporting event's home games throughout the year, including SCAC Championships. Fans can come out and enjoy all the fun and excitement of college athletics for the best price of all, FREE.

In its profile on Hendrix (pages 280-281), The Princeton Review praises the college for its involved student body and accepting atmosphere. Hendrix students are quoted extensively throughout the review, discussing everything from the "phenomenal [financial] aid that would be ridiculous to turn down" to the "awesome theme parties". A political science major noted that "one of Hendrix's selling points is the personal relationships that students build with their professors," while another student credited professors for being "courageously friendly."

The Princeton Review's 62 ranking lists in The Best 371 Colleges are entirely based on its survey of 122,000 students (about 325 per campus on average) attending the colleges in the book. The 80-question survey asks students to rate their schools on several topics and report on their campus experiences. Topics range from student assessments of their professors, administrators, financial aid, and campus food.

Other ranking lists are based on student reports about their student body's political leanings, race/class relations, gay community acceptance, and other aspects of campus life. A college's appearance on a ranking list is entirely the result of a high consensus among its surveyed students about a topic compared with that of students at other schools answering the same survey question(s) on the ranking list topic.

## GROVE GYMNASIUM - GARRISON COURT

The construction of Grove Gymnasium was completed in August of 2007 and plays host to the Warrior basketball and volleyball programs. The unique stadium-style seating holds a capacity crowd of 1,100. The gym also features a fieldhouse atmosphere when the windows are uncovered and the Warrior Alumni Room overlooks competition for a suite style view. The gym is named in honor of former basketball coach and athletic director, Ivan H. Grove, who guided the Warriors for 20 years (1924-47). The basketball court is named in honor of the legendary basketball coach Cliff Garrison, who led the Warriors through 31 years of basketball glory. Grove and Garrison combined for eight AIC Championships and an overall record of 721-521 (.581 pct).

## Discover Hendrix

Hendrix is on a journey to national leadership in engaged liberal arts and sciences education. Led by our flagship Odyssey Program and supported by The Hendrix Campaign, we have been charting progress, writing history, and making a difference in the lives of our students and the world.

Hendrix is a College that engages students in the active pursuit of knowledge. Our students work closely with their faculty mentors, shaping their learning experiences to reflect their personal interests and challenging themselves to stretch beyond what they thought possible.

This commitment to engaged learning is part of the history and fabric of Hendrix College. It is now the cornerstone of a curricular initiative called Your Hendrix Odyssey: Engaging in Active Learning.

Through the Odyssey program we guarantee that every Hendrix student will have at least three specific active learning experiences, drawn from six categories. In addition to the personal benefit students receive by linking critical thought with action, Hendrix will also provide an experiential learning transcript to each graduate.

We believe this new credential will be a valuable addition to our graduates' portfolios, whether their next move in life is to continue their education in graduate school or to enter the workforce.

## The Hendrix Motto

"Unto the whole person" The Hendrix seal appeared for the first time on the cover of the 1898 catalog. The seal included the College's motto, selected by a committee headed by the Rev. George W. Hill and taken from a passage in Ephesians: "Till we all come in the unity of the faith and of the knowledge of the Son of God, unto a perfect man unto the measure of the stature of the fullness of Christ ..." (Ephesians 4:13, King James Version). Currently translated as "unto the whole

person," the motto, in Ancient Greek, reflects Hendrix's dedication to both Christian principles and the traditional liberal arts ideal.

## National Recognition

Hendrix has a long and proud tradition of national recognition. As early as 1900 Hendrix was recognized by the U.S. Office of Education as having higher standards for admission and graduation than any other institution of higher learning in Arkansas. That recognition continues today as numerous journals and college guides recognize the impact of Your Hendrix Odyssey: Engaging in Active Learning on American higher education.

## Fiske Guide to Colleges

Fiske Guide to Colleges names Hendrix one of 44 national "Best Buy" colleges and universities in its 2010 edition. Hendrix is one of only 24 private institutions on the list.

## *Forbes' list of America's Best Colleges*

Forbes Magazine names Hendrix to both its top "100 Best Colleges" and top "100 Best Buy" lists for 2009. Hendrix is ranked #71 on the "Best Private Colleges" list and is #81 on the "Overall" list. Hendrix is one of only 23 schools that made both the top "100 Best Colleges" and top "100 Best Buy" lists.

## *U.S. News & World Report*

U.S. News & World Report lists Hendrix as the #1 "Up-and-coming Liberal Arts College" in its 2010 list of best colleges. Hendrix is also ranked 80th on the magazine's list of best liberal arts colleges.

## *The Princeton Review*

The Princeton Review lists Hendrix for academic excellence in its 2008 college guide, The Best 366 Colleges. Hendrix was among the top 20 colleges recognized in these four categories: 11th in the "professors get high marks" category, 11th in the "best classroom experience" category, 16th in the "best college theater" category, and 20th in the "lots of race/class interaction."

Hendrix is also listed in The Princeton Review's 2008 edition of American's Best Value Colleges noting the fact that Hendrix costs about 10 percent less than several comparable schools around the country.

In the 2010 edition, Best 371 Colleges, Hendrix is ranked fifth "Easiest Campus to Get Around" and 13th "Best Athletic Facilities."

## *Colleges That Change Lives*

Colleges That Change Lives once again selects Hendrix for inclusion in its latest guidebook edition, "40 Schools that will Change the Way You Think About Colleges."

Former New York Times education editor Loren Pope wrote the guidebook to help students, parents and counselors find a good college match. The book profiles colleges that make a real difference in the lives of students. The choices in the book were based on Pope's years of research as a journalist, as well as his direct interaction

with students and graduates of the CTCL schools. The 40 colleges he evaluates are known for their abilities to serve students with a wide range of abilities yet produce higher proportions of scientists and scholars.

In summing up his reason for selecting Hendrix, which has a nine-page profile in the book, Pope writes: "I was unexpectedly blown away by Hendrix. It is an exemplary college and teenagers of a wide range of abilities and interests would find this a very happy fit socially... There should be at least one college as good as Hendrix in every state."

The New York-based education services company features Hendrix in its 2006 edition of its book, *America's Best Value Colleges*. The guide profiles 81 colleges with outstanding academics, generous financial aid packages and relatively low costs. It includes public and private colleges and universities in 35 states. Hendrix is the only college in Arkansas featured on the list.

## History in Brief

In 1876 Central Institute, which was to become Hendrix College was established in Altus, Arkansas, by the Rev. Isham L. Burrow.

The school became Central Collegiate Institute in 1881 with the addition of secondary and collegiate departments.

The institute was purchased in 1884 by conferences of the Southern Methodist Church in Arkansas and was renamed Hendrix College in honor of Bishop Eugene R. Hendrix in 1889. The following year the college moved to Conway, Arkansas.

By the mid-1930s Hendrix had firmly established its role as a small, coeducational, undergraduate, residential, liberal arts, church-related institution.

From the mid-1950s Hendrix gradually increased student enrollment until it stabilized at just under 1,000 in the 1970s. Through the end of the 20th century, Hendrix added more than 15 buildings, developed a new master plan for growth of the campus, and revised and enhanced its curriculum and added faculty in key areas.

The College's long-standing commitment to experiential education gave birth to the Hendrix Odyssey Program in 2005. This component of the curriculum, which requires three engaged learning experiences of every Hendrix graduate, is helping the College build a national reputation for leadership in engaged learning.

From the foundation of more than 130 years of excellence in education, Hendrix College is moving confidently into the 21st century.
