## Head Coach Doug Mello

Third Season at Hendrix  
Aquinas College '78

Doug Mello enters his third year at the helm of the Hendrix College men's soccer team. Mello ignited a new era of Hendrix soccer in 2008 as the Warriors have improved in leaps and bounds since his arrival.

In his first year with the Warriors, Mello led the team to a 5-12 record, and then an outstanding 9-8-2 record in his second season. The Warriors made a big jump from last in the 2007 SCAC standings to 5th place in the 2009 SCAC standings. Mello has coached two players to All-SCAC honors and his teams have earned NSCAA/Adidas All-Academic Team honors in both of his years at the helm.

Mello joined the Warriors after serving as the head men's and women's soccer coach for 18 years at Luther College in Decorah, Iowa. He also served as the Events Coordinator and Physical Education Instructor at Luther.

During his time with the Norse, his men's team won six Iowa Intercollegiate Athletic Conference (IAC) titles, made five NCAA Division III National Tournament appearances (Elite Eight - 1995, 2001) and tallied a 240-119-13 overall record.

His women's team won three IAC Championships and accumulated a 219-120-26 overall record.

Mello currently holds the NCAA Division III record for most consecutive conference wins with 42.

Mello enters the 2010 season with a 400-218-36 overall record during his 30 year career as a men's head coach.

His men's resumé ranks among the best active coaches in collegiate soccer, as his win-total ranks 26th all-time among NCAA coaches (all divisions), and 10th among NCAA D-III coaches. Mello's 282-139-32 overall record as a women's head coach ranks him tied for 22nd among all divisions by victories. He is one of just four coaches all-time to own at least 200 wins in both men's and women's soccer, and ranks first with 22

**History of the SCAC**

The Southern Collegiate Athletic Conference (SCAC) celebrates its 25th Anniversary in 2010-11 with countless memories of a proud and storied past and visions of an exciting future.

The SCAC was founded and began operation on September 1, 1962, as the College Athletic Conference (CAC). The league's first primary mark is pictured on the left.

Centre College of Danville, Kentucky; Southwestern at Memphis (Tennessee) (now known as Rhodes College); The University of the South of Sewanee, Tennessee; and Washington and Lee University of Lexington, Virginia, were the four charter members of the conference. Later in 1962, Washington University of St. Louis, Missouri, became the fifth member and the CAC remained unchanged until 1972.

Following membership changes throughout the 1970s and 1980s, the conference went through restructuring and renaming. With the addition of Millsaps College of Jackson, Mississippi, and Trinity University of San Antonio, Texas, in 1988 and Hendrix College of Conway, Arkansas, and Oglethorpe University of Atlanta, Georgia, in 1991, membership reached a then all-time high of eight.

That same year (1991), the conference renamed itself the Southern Collegiate Athletic Conference, hired its first full-time commissioner - Stephen P. Argo - and a permanent conference office was established in

Atlanta, Georgia. As part of restructuring, the league also adopted its current primary mark (pictured right) and adopted blue (pms 287) and gold (pms 131) as the official colors of the conference.

Membership changes continued throughout the '90s. The SCAC added Southwestern University of Georgetown, Texas, in 1993 with participation beginning in the 1994-95 academic year. In 1997-98, the SCAC added both DePauw University of Greencastle, Indiana, and Rose-Hulman Institute of Technology of Terre Haute, Ind., with participation beginning in 1998-99.

As part of a year-long celebration in 2005-06, the league celebrated its 15th anniversary as the restructured SCAC. The league adopted a special anniversary logo (pictured left) and as part of the celebration, 15th anniversary teams were selected for all conference sponsored sports.

After Rose-Hulman announced its intentions to leave the conference, Austin College and Colorado College were confirmed as the 10th and 11th members of the league in 2006 with participation beginning in the 2006-07 academic year.

Birmingham-Southern College of Birmingham, Alabama, a former member of the Division I Big South Conference, was approved as the 12th member of the SCAC and began play in 2007-08.

On the national athletics stage, the SCAC has had its fair share of success - both in terms of team championships (six) and individual championships (19).

**SCAC Academic Profile**

The SCAC and its member institutions are committed to maintaining high academic standards. The member institutions are committed to the principle that a quality college athletics program is beneficial to the well-being of an institution in that it benefits the entire campus community as well as the student-athletes.

With 11 of the 12 member institutions maintaining Phi Beta Kappa chapters (Hendrix included) on their campuses, the SCAC boasts some of the most prestigious colleges and universities in the nation. SCAC schools are consistently ranked among the top 50 colleges and universities in the nation in such respected publications as Barron's, Peterson's, Princeton Review and National Review College Guide.

In exclusive voting by the league's head soccer coaches, Ben Grossman of Trinity University was selected 2009 SCAC Offensive Player-of-the-Year, while Trinity's Alan Llobet and DePauw University's Beau Sorg were tabbed as SCAC Defensive Co-Players-of-the-Year. Trinity head coach Paul McGinlay, for the fifth consecutive year and 11th time overall, was named the SCAC Coach-of-the-Year. In the same balloting, Matt Fechter of Colorado College was voted SCAC Newcomer-of-the-Year.

Ben Grossman, a senior forward from San Diego, Calif., finished the regular season with 32 points (third in the SCAC) on 14 goals and four assists. Grossman also led the SCAC in game-winning goals with six. A two-time First Team All-SCAC selection, Grossman was a two-time SCAC Player-of-the-Week (Week 3, Week 10) during the 2009 campaign and is the fifth Trinity men's soccer player in the last seven years to be named SCAC Offensive Player-of-the-Year. In being selected the league's Offensive POTY, Grossman received eight votes from the coaches. Tyler Evans of Birmingham-Southern College and Josh Spencer of Southwestern University received two votes each.

Alan Llobet, a senior defender from St. Louis, Mo., was consistently the Tigers best defender in 2009 – earning SCAC Defensive Player-of-the-Week honors in Week 9. A two-time All-SCAC selection and captain of 2009 team, Llobet also chipped in offensively in 2009 with overtime game-winning goals against Southwestern and Millsaps.

Beau Sorg, a senior from Fort Wayne, Ind., and one of the league's better one-on-one defenders, was the Tigers' leading scorer this season despite playing 90 percent of the time as the team's center back. The SCAC Defensive Player of the Week in Week 5 and a two-time all-SCAC selection, Sorg had six goals and four assists for 14 points this season. Llobet and Sorg both received five votes to share the SCAC Defensive POTY honor. **Ian Evans** of Hendrix College received the remaining two votes.

Matt Fechter, a first-year forward from Westfield, N.J., led Colorado College and all conference first-year players in goals scored (11) and total points (25). He started every game this season. Fechter scored four goals against Oglethorpe on Oct. 18 – which earned him his second SCAC Offensive Player of the Week this season. He was also the SCAC Offensive POTW in Week 4. Fechter received seven votes in the Newcomer-of-the-Year voting, followed by Chesley Farmer of Trinity with two votes. Ryan Garvey of Centre College, Connor Silvestri of Hendrix College and Evan Perkins of Southwestern University each received one vote.

Coach Paul McGinlay guided the second-ranked Trinity men to another SCAC title, the program's 13th overall and 12th in the last 14 years. In his 19th season as the head coach of the Tigers, McGinlay has amassed an overall record of 317-57-22 (.828). Trinity finished the 2009 season with a 15-2-2 overall mark after Sunday's second-round NCAA tournament loss to Hardin-Simmons University. McGinlay is an 11-time SCAC Coach of the Year honoree and has led his team to an undefeated and untied conference mark eight times in his career. McGinlay received eight votes from his peers in the COTY voting. Jeb Burch of Centre College, Preston Goldfarb of Birmingham-Southern, Mark Hudson of Austin College and David Poggi of Sewanee-University of the South all received one vote each.

### **Hendrix Athletic Facilities Ranked 13th in Nation by Princeton Review**

Hendrix College has always been considered one of the country's best institutions for undergraduate education, however, according to the Princeton Review the Warriors' three-year-old athletic facilities ranks among the best in the nation.

The Princeton Review recently praised Hendrix College for its new Wellness and Athletic Center, Bob Courtway Pool and four outdoor playing fields by ranking it 13th in the country among all 2,500 four-year colleges. That includes all NCAA Division I, II and III schools.

Hendrix joined Wabash College (Crawfordsville, Ind.) and Middlebury College (Middlebury, Vt.) as the only other NCAA Division III schools to make the Top 20 list. Hendrix was also the only Southern Collegiate Athletic Conference (SCAC) school on the list.

The Warriors finished construction of their new athletic facilities in August of 2007. The new buildings and playing fields replaced the 46-year-old Grove Gymnasium. Hendrix has also recently finished construction of the new Student Life and Technology Center, which has been erected on the west side of Harkrider where Grove Gymnasium formerly sat.

"Our new athletic facilities have helped us, along with the great work of our coaching staff, to increase the number of student-athletes participating in our 19 sports from about 180 a few years ago to over 350 this year," said Athletics Director Danny Powell.

The SCAC has given Hendrix the opportunity to show off its new state-of-the-art facilities by appointing the school as host of the 2008 and 2009 SCAC Men's and Women's Basketball Championships, 2009 SCAC Field Hockey Championships, 2010 SCAC Softball Championships and 2010 SCAC Outdoor Track & Field Championships.

The SCAC has chosen Hendrix as a host school for its conference championships because of the central location in the conference, ability to run on-campus tournaments and the abundant hotels and restaurants Conway has to offer.

One of the greatest aspects of Hendrix Athletics is the affordable admission to its 19 sporting event's home games throughout the year, including SCAC Championships. Fans can come out and enjoy all the fun and excitement of college athletics for the best price of all, FREE.

In its profile on Hendrix (pages 280-281), The Princeton Review praises the college for its involved student body and accepting atmosphere. Hendrix students are quoted extensively throughout the review, discussing everything from the "phenomenal [financial] aid that would be ridiculous to turn down" to the "awesome theme parties". A political science major noted that "one of Hendrix's selling points is the personal relationships that students build with their professors," while another student credited professors for being "courageously friendly."

The Princeton Review's 62 ranking lists in The Best 371 Colleges are entirely based on its survey of 122,000 students (about 325 per campus on average) attending the colleges in the book. The 80-question survey asks students to rate their schools on several topics and report on their campus experiences. Topics range from student assessments of their professors, administrators, financial aid, and campus food.

Other ranking lists are based on student reports about their student body's political leanings, race/class relations, gay community acceptance, and other aspects of campus life. A college's appearance on a ranking list is entirely the result of a high consensus among its surveyed students about a topic compared with that of students at other schools answering the same survey question(s) on the ranking list topic.

*(Aerial view of the top-ranked Warrior facilities)*

Warrior Field was constructed throughout 2006 and 2007. Warrior Field holds a capacity crowd of approximately 500 bleacher seats with plenty of room for lawn chairs and blankets surrounding the field. The pitch features stadium style lighting with one of the greatest playing surfaces in the South. The Warriors have a strong contingent of fans that come out for support as Hendrix College ranked 24th in the nation in total home attendance (3,204) and 30th in average home attendance (291) during the 2009 season.

### Discover Hendrix

Hendrix is on a journey to national leadership in engaged liberal arts and sciences education. Led by our flagship Odyssey Program and supported by The Hendrix Campaign, we have been charting progress, writing history, and making a difference in the lives of our students and the world.

Hendrix is a College that engages students in the active pursuit of knowledge. Our students work closely with their faculty mentors, shaping their learning experiences to reflect their personal interests and challenging themselves to stretch beyond what they thought possible.

This commitment to engaged learning is part of the history and fabric of Hendrix College. It is now the cornerstone of a curricular initiative called Your Hendrix Odyssey: Engaging in Active Learning.

Through the Odyssey program we guarantee that every Hendrix student will have at least three specific active learning experiences, drawn from six categories. In addition to the personal benefit students receive by linking critical thought with action, Hendrix will also provide an experiential learning transcript to each graduate.

We believe this new credential will be a valuable addition to our graduates' portfolios, whether their next move in life is to continue their education in graduate school or to enter the workforce.

### The Hendrix Motto

"Unto the whole person" The Hendrix seal appeared for the first time on the cover of the 1898 catalog. The seal included the College's motto, selected by a committee headed by the Rev. George W. Hill and taken from a passage in Ephesians: "Till we all come in the unity of the faith and of the knowledge of the Son of God, unto a perfect man unto the measure of the stature of the fullness of Christ ..." (Ephesians 4:13, King James Version). Currently translated as "unto the whole person," the motto, in Ancient Greek, reflects Hendrix's dedication to both Christian principles and the traditional liberal arts ideal.

### National Recognition

Hendrix has a long and proud tradition of national recognition. As early as 1900 Hendrix was recognized by the U.S. Office of Education as having higher standards for admission and graduation than any other institution of higher learning in Arkansas. That recognition continues today as numerous journals and college guides recognize the impact of Your Hendrix Odyssey: Engaging in Active Learning on American higher education.

### Fiske Guide to Colleges

Fiske Guide to Colleges names Hendrix one of 44 national "Best Buy" colleges and universities in its 2010 edition. Hendrix is one of only 24 private institutions on the list.

### Forbes' list of America's Best Colleges

Forbes Magazine names Hendrix to both its top "100 Best Colleges"

and top "100 Best Buy" lists for 2009. Hendrix is ranked #71 on the "Best Private Colleges" list and is #81 on the "Overall" list. Hendrix is one of only 23 schools that made both the top "100 Best Colleges" and top "100 Best Buy" lists.

### U.S. News & World Report

U.S. News & World Report lists Hendrix as the #1 "Up-and-coming Liberal Arts College" in its 2010 list of best colleges. Hendrix is also ranked 80th on the magazine's list of best liberal arts colleges.

### The Princeton Review

The Princeton Review lists Hendrix for academic excellence in its 2008 college guide, *The Best 366 Colleges*. Hendrix was among the top 20 colleges recognized in these four categories: 11th in the "professors get high marks" category, 11th in the "best classroom experience" category, 16th in the "best college theater" category, and 20th in the "lots of race/class interaction."

Hendrix is also listed in The Princeton Review's 2008 edition of *American's Best Value Colleges* noting the fact that Hendrix costs about 10 percent less than several comparable schools around the country.

In the 2010 edition, *Best 371 Colleges*, Hendrix is ranked fifth "Easiest Campus to Get Around" and 13th "Best Athletic Facilities."

### Colleges That Change Lives

*Colleges That Change Lives* once again selects Hendrix for inclusion in its latest guidebook edition, "40 Schools that will Change the Way You Think About Colleges."

Former New York Times education editor Loren Pope wrote the guidebook to help students, parents and counselors find a good college match. The book profiles colleges that make a real difference in the lives of students. The choices in the book were based on Pope's years of research as a journalist, as well as his direct interaction with students and graduates of the CTCL schools. The 40 colleges he evaluates are known for their abilities to serve students with a wide range of abilities yet produce higher proportions of scientists and scholars.

In summing up his reason for selecting Hendrix, which has a nine-page profile in the book, Pope writes: "I was unexpectedly blown away by Hendrix. It is an exemplary college and teenagers of a wide range of abilities and interests would find this a very happy fit socially... There should be at least one college as good as Hendrix in every state."

**History in Brief**

In 1876 Central Institute, which was to become Hendrix College was established in Altus, Arkansas, by the Rev. Isham L. Burrow.

The school became Central Collegiate Institute in 1881 with the addition of secondary and collegiate departments.

The institute was purchased in 1884 by conferences of the Southern Methodist Church in Arkansas and was renamed Hendrix College in honor of Bishop Eugene R. Hendrix in 1889. The following year the college moved to Conway, Arkansas.

By the mid-1930s Hendrix had firmly established its role as a small, coeducational, undergraduate, residential, liberal arts, church-related institution.

From the mid-1950s Hendrix gradually increased student enrollment until it stabilized at just under 1,000 in the 1970s. Through the end of the 20th century, Hendrix added more than 15 buildings, developed a new master plan for growth of the campus, and revised and enhanced its curriculum and added faculty in key areas.

The College's long-standing commitment to experiential education gave birth to the Hendrix Odyssey Program in 2005. This component of the curriculum, which requires three engaged learning experiences of every Hendrix graduate, is helping the College build a national reputation for leadership in engaged learning.

From the foundation of more than 130 years of excellence in education, Hendrix College is moving confidently into the 21st century.
