How to Request a Reimbursement for Faculty/Staff, Students, and Other Individuals
How to Request a Reimbursement for Faculty/Staff, Students, and Other Individuals

On occasion, various faculty or staff members as well as students will purchase something for the college or pay for college related business with their personal money. In this case, the student or faculty/staff member will need to be reimbursed for the items they purchased.

In order to be reimbursed, the original receipt along with a completed and signed Payment Request Form must be turned in to the business office by 5:00 p.m. Tuesday.

If a charge is made on a credit/debit card, the original receipt must be submitted. A copy of the card statement is not acceptable documentation.

Meals over $25 must have the itemized meal receipt (as opposed to the signed credit card receipt). The purpose of the meeting and the people that attended the meal must be provided. Tips on meals SHOULD NOT EXCEED 20% of the meal cost.

Reimbursements up to $50.00 should be redeemed at the cashier’s window for immediate payment. The Payment Request Form must be completed and signed with the original receipt attached. If there is insufficient cash available at the cashier’s window, the request will be submitted to Accounts Payable to be paid with a check.

Please submit all receipts for one person on one Payment Request Form.

If the information on the form is incomplete or inaccurate the request will be returned to the HUG (Heavy Purchasers User Group) member associated with the department requesting the reimbursement. The grey box at the top of the form will indicate what information is missing.

**Completing a Payment Request Form for Reimbursements** (see pg. 63)

In the top right-hand corner of the form, check the box for “Reimbursement.” This helps the business office determine exactly how the payment needs to be entered and what information is required.

Enter any **Special Instructions** – this includes if the check should be held for pick-up

Enter the **Date** of the request

Enter the **Name** of the Faculty/Staff or Student that initially paid for the item and needs to be reimbursed – Please use their **full legal name**, no nicknames

Enter the **Address** of the recipient – if the check should be sent to Campus Mail, please include the Hendrix Box number
Enter the **Hendrix ID Number** of the recipient – this field **MUST** be completed – any person or company that receives a check from Hendrix College is considered a vendor and should have a valid Hendrix ID number.

Enter the **Item Description** – be very specific in the descriptions – this description ultimately ends up on the transaction detail on the G/L.

Enter the **Account #/Proj Code** where the expense should be recorded – not all transactions will have a project code.

Enter the **Amount** of the item.

Enter the **Total** – if you use the computer to generate your payment request, a total will automatically calculate on the form.

Enter **Payment Requested By** - the person requesting the reimbursement should sign and print their name at the bottom of the form.

Enter **Payment Approved By** - if the reimbursement amount is greater than the “Requested By” person’s approval level, proper authorization must be made before the payment can be paid.

**NOTE:**
- All student organizations requesting reimbursements must obtain the approval signature of the faculty advisor.
- Department Members requesting reimbursements must obtain the approval signature from the Dept. Head, the Provost, or the Associate Provost.
- Department Heads requesting reimbursements must obtain the approval signature from the Area Chair, the Provost, or the Associate Provost.
- Vice Presidents requesting reimbursements must obtain the approval signature from another Vice President or from the President.

After the Payment Request form is completed, submit the form with all the original receipts to the Business Office by 5:00 p.m. Tuesday for processing. The checks will be available on Friday afternoon after 3:00 p.m.
How to Request a Reimbursement for Travel Expenses
How to Request a Reimbursement for Travel Expenses

Travel Expenses should be submitted on a Travel Expense Report.

Allowable Travel Expenses:
There are certain types of expenditures that are allowable as reimbursable expenses by the college. They are the following:

- **Per Diem at a rate of $35 per day** This means that no receipts may be turned in for reimbursement for meals, snacks or beverages of any kind (i.e. water, coffee, tips, etc). Project travel plans should include at least six hours in a given day to be eligible for the entire per diem rate for that day.
- **Direct Meal Reimbursement** This option can be used in place of per diem, with provided original receipts. Meals over $25 must have the *itemized meal receipt* (as opposed to the signed credit card receipt). The purpose of the meeting and the people that attended the meal must be provided. Tips on meals SHOULD NOT EXCEED 20% of the meal cost.
- **Mileage of Personal Vehicle at a rate of $.50 per mile.** Please note that this is in place of gasoline, which cannot be claimed at the same time unless there was a rental car in addition to a personal vehicle (i.e. mileage to and from airport). The mileage rate will change based on the current IRS mileage reimbursement rate.
- **Airfare**
- **Miscellaneous Transportation Costs** (i.e. taxi, shuttle, bus fare, etc)
- **Hotel**
- **Car Rentals**
- **Conference Registration and Fees**

Completing the Travel Expense Report

Examples of both a completed travel expense report and a blank form are included (see pg. 63). This form can also be downloaded from the Hendrix website. The electronic version includes some formulas to simplify completion.

For ease of review, please number your receipts and enter the correlating number on the expense report. Like expenses can be combined. For example, if you have five bus tickets, feel free to number all of them the same number and enter them on the same line on the expense report. The mileage section is in the middle of the bottom portion, with room for four roundtrips. The dates of travel and the total miles should be included. The electronic version of the form will calculate the reimbursable amount automatically.

Original receipts must be attached to the form. **This is an audit requirement.** If the purchase was made online, please attach a print-off of the confirmation which includes the total price.
How to Request a Payment Advance for Faculty/Staff
How to Request a Payment Advance for Faculty/Staff

On occasion, faculty/staff members will need cash before an expense is actually incurred. In this case, the faculty/staff member will need to request a Payment Advance from the business office. Examples of Payment Advances are staff travel advances, per diems, faculty travel grants, athletic events out of town, etc. Payment Advances are available for faculty/staff members only.

In addition to the types of advances listed above, charges on a Corporate Visa that do not have a receipt or finance charges incurred will be the responsibility of the card holder until a receipt or invoice is presented. This will be handled as a payment advance until payment is made. Please see the section “How to Use a Corporate Visa Card” (pg. 45).

In order to receive a payment advance, a Payment Request Form must be submitted to the business office by 5:00 p.m. Tuesday with the proper approval signatures.

If the information on the form is incomplete or inaccurate the request will be returned to the HUG (Heavy Purchasers User Group) member associated with the department requesting the reimbursement. The grey box at the top of the form will indicate what information is missing.

Completing a Payment Request Form for General Payment Advances (see pg. 63)

In the top right-hand corner of the form, check the box for “Payment Advance.” This helps the business office determine exactly how the payment needs to be entered and what information is required.

Enter any Special Instructions – this includes if the check should be held for pick-up

Enter the Date of the request

Enter the Name of the Faculty/Staff member that needs the cash advance – Please use their full legal name, no nicknames

Enter the Address of the recipient – if the payment advance check should be sent to Campus Mail, please include the Hendrix Box number

Enter the Hendrix ID Number of the recipient – this field MUST be completed – any person or company that receives a check from Hendrix College is considered a vendor and should have a valid Hendrix ID number

Enter the Item Description – be very specific in the descriptions – this description ultimately ends up on the transaction detail on the G/L
Enter the **Account #/Proj Code** where the expense should be recorded – not all transactions will have a project code.

Enter the **Amount** of the item.

Enter the **Total** – if you use the computer to generate your payment request, a total will automatically calculate on the form.

Enter **Payment Requested By** - the person requesting the payment advance should sign and print their name at the bottom of the form.

Enter **Payment Approved By** - if the advance amount is greater than the “Requested By” person’s approval level, proper authorization must be made before the payment can be paid.

**NOTE:**
- Department Members requesting payment advances must obtain the approval signature from the Dept. Head, the Provost, or the Associate Provost.
- Department Heads requesting payment advances must obtain the approval signature from the Area Chair, the Provost, or the Associate Provost.
- Vice Presidents requesting reimbursements must obtain the approval signature from another Vice President or the President.

After the Payment Request form is completed, submit the form to the Business Office by 5:00 p.m. Tuesday for processing. The checks will be available on Friday afternoon after 3:00 p.m.

**Clearing General Advances with Original Receipts**

**NOTE:** ALL information to clear a General Advance (i.e. not a travel/project grant advance) should be submitted to the Accounts Payable Clerk, **not the cashier’s window.** This includes personal checks as well as receipts.

Receipts should be submitted along with a Payment Request Form. The receipts should total the amount of the advance.
- If the receipts are **LESS** than the advance, a personal check must be submitted to make up the difference – this check should be submitted through A/P along with the receipts.
- If the receipts are **GREATER** than the advance, an additional A/P check will be cut for the difference – as long as the receipts tie out and they are for legitimate college expenses.

**Complete a Payment Request Form** (see pg. 63)

In the top right-hand corner of the Payment Request form, check the box for “Clearing of Advance”
Enter the Name of the person that originally received the advance

Enter the Hendrix ID Number of the recipient – this field MUST be completed – any person or company that receives a check from Hendrix College is considered a vendor and should have a valid Hendrix ID number

Enter the Item Description – be very specific in the descriptions – this description ultimately ends up on the transaction detail on the G/L

Enter the Account #/Proj Code where the expense should be recorded – not all transactions will have a project code

Enter the Amount of the item

Enter the Total – if you use the computer to generate your payment request, a total will automatically calculate on the form

Enter Payment Requested By - the person requesting the payment advance should sign and print their name at the bottom of the form

Enter Payment Approved By - if the advance amount is greater than the “Requested By” person’s approval level, proper authorization must be made before the payment can be paid.

Submit the form and the receipts to the Accounts Payable Clerk for processing.
How to Request a Payment for Contract Labor
How to Request a Payment for Contract Labor

Occasionally, Hendrix pays an individual directly for services rendered. This does not include any corporation or company. These individuals are not set up through payroll and no taxes are withheld from their payment. Because they are not included in payroll, Hendrix must send them a tax form 1099 at the end of the year.

Examples of contract labor include individual consultants, honoraria, performers (if payment is made directly to them), various part-time services around campus, etc.

In order for anyone to receive a payment for contract labor, a Payment Request Form must be submitted to the business office by 5:00 p.m. Tuesday with the proper approval signatures.

If the information on the form is incomplete or inaccurate the request will be returned to the HUG (Heavy Purchasers User Group) member associated with the department requesting the reimbursement. The grey box at the top of the form will indicate what information is missing.

Completing a Payment Request Form for Contract Labor (see pg. 63)

In the top right-hand corner, check the box for “Contract Labor.” This helps the business office determine exactly how the payment needs to be entered and what information is required.

Enter the Name of the person providing the service – Please use their full legal name, no nicknames

After the Payment Request form is completed, submit the form to the Business Office by 5:00 p.m. Tuesday for processing. The checks will be available on Friday afternoon after 3:00 p.m.
How to Process a Purchase Order
How to Process a Purchase Order

A Purchase Order needs to be created when an order is placed with a vendor. The PO Process replaces the need to complete a Payment Request Form. The PO should be created prior to the Business Office receiving the invoice. The main objective of the PO system is for budgeting purposes and approval tracking. When a PO is created, the amount on the PO is encumbered and the department’s operating budget is temporarily decreased for that amount. Once an invoice is paid, the amount originally encumbered is unencumbered (i.e. returned to the budget) and the amount of the actual invoice is permanently removed from the budget. The process of using Purchase Orders helps monitor how much money is available for use in department budgets.

It is important to have a PO created **PRIOR to ordering** the merchandise. A PO can be created using an estimate obtained by calling the vendor prior to ordering the products. Please request that the vendor include the PO number on the invoice if possible.

If the information on the form is incomplete or inaccurate the request will be returned to the HUG member (Heavy Purchasers User Group) associated with the department requesting the reimbursement.

**Student Organizations**

Some student organizations do not have access to the Jenzabar system; therefore some groups must contact the business office for a Purchase Order. Please refer to the Organizational Manual produced by the Office of Student Activities for complete instructions and contact information. The following is information on how to complete the form to request a Purchase Order (see pg. 63).

**Completing the Student Organization Purchase Order Request Form**

Enter the following information:

- **Special Instructions** – this includes if the check should be held for pick-up
- **Date of the request**
- **Vendor Name**
- **Vendor Address**
- **Vendor Phone Number** – this is required
- **Federal Tax ID #**
- **Item Description** – be very specific in the descriptions – this is the description that follows through the entire process from requisition to the final check sent to the vendor to the G/L detail. Occasionally the description will have to be shortened due to lack of space in Jenzabar.
- **Organization Name & Account Number**
- **Amount** of the item
- **Total** – if you use the computer to generate your payment request, a total will automatically calculate on the form
**Student Information** – the student requesting the purchase order on behalf of the student organization should sign and print their name, as well as include their email address (the PO will be sent via email to the student requesting the PO)

**Faculty Advisor Information** – the Faculty Advisor for the particular student organization should sign and print their name

Return the form to the contact person or Cris Williamson in the Business Office. The Purchase Order will be emailed to the student within 4 hours of receipt of the form.

**All Other Departments**

There are 5 steps involved in creating a Purchase Order:

**Step 1** – Creating the Requisition (see pg. 24)
**Step 2** – Approving the Requisition (see pg. 30)
**Step 3** – Converting the Requisition to the Purchase Order (see pg. 31)
**Step 4** – Printing the Purchase Order (see pg. 32)
**Step 5** – Receiving the Items on the Purchase Order (see pg. 35)

Please see the following section (pg. 23) for Step by Step Instructions on how to complete a Purchase Order.

**Very Important Notes Concerning Purchase Orders**

- EVERY invoice we pay MUST have a PO. An open PO can be created for the entire year that includes the total expected expenses. An invoice with no PO will be returned to the department for a PO before processing the invoice.

- POs that are not received in the system will NOT be paid. You will be notified that the Business Office has received an invoice for a PO that is still not received and until the item on the PO is marked as “Received” in the system, the invoice will not be paid.

- There should NEVER be more than one PO per invoice. However, there can be multiple invoices for one PO.

- When the invoice is received, write the PO # on the invoice (a Payment Request Form is not necessary), verify that the items have been received in the system, and send the invoice to the business office by 5:00 p.m. Tuesday. **There is no need to attach a copy of the PO to the invoice.**

**All invoices received by the business office will be verified with the purchase order**

- If the unit price on the invoice matches the PO and the items are received in the system, the invoice will automatically be paid.

- If the invoice amount is more than $100 over the PO amount, the Accounts Payable Clerk will contact the Purchasing Agent and ask for approval to pay the
overage. **NOTE:** Tax and freight as well as overages up to $100 will automatically be paid.

- If the PO amount is more than the invoice and no additional invoices are expected for the PO, write on the invoice “Close PO.” This will return the remaining encumbered amount back to the budget.

**If you need to make changes to a purchase order or to void a purchase order**
- Call or email Cris Williamson in the Business Office, with the PO number and the changes to be made. Cris will email when the change has been made. You will be able to print and receive the PO on your own.

**Checking Open PO Report**
- Open PO reports (see pg. 55) should be checked at least once per month for open purchase orders. If the items have been received and are still appearing on the Open PO report 30 days later, please contact the Accounts Payable Clerk to inquire about invoice status.
How to Create a Purchase Order
Step 1 – Creating the Requisition

Login Screen

Click on **Start/Programs/Jenzabar EX 3/EX Suite 3**

The Sign-in screen above should appear

Enter the Jenzabar **User Name** for purchasing

Enter the Jenzabar **Password**

Select the **TMSEPRD** database

Click **Login**

Click on **Business Office** on the left hand side of the screen
Creating/Opening Requisitions

Open the Purchasing Module - File/Business Office/Purchasing

Click on Task/Requisition/Create Requisitions

A blank Requisition will appear
Requisition Information – Assigning Approval Track

When you first open your “Create Requisition” screen, you **MUST click on the ASSIGN button** in the top right hand corner.

This button sets up the approval track that must be followed before the Requisition can be converted to a PO.

You can verify that the Approval Track has been assigned by looking at the “Assigned Track” field. If the “Assigned Track” field is blank, the Assign button has **NOT** been entered.
Requisition Detail

You can click on this check mark and see the budget for the account code entered!!! If the account is over budget a red x will appear. Please see Additional Requisition Resources for more information.

Required Fields are circled above and appear in red on your Jenzabar screen

Requester ID# - this is the person completing the requisition (automatically filled in)
Purchasing Agent ID# - this is the Faculty/Staff member wanting to purchase the items

Leave “ok to group” box selected – this will move all line items from various Requisitions to the same Purchase Order when you convert your requisitions to POs

Note: Be very specific in your descriptions. Remember...this description follows through the whole process from requisition to the final check sent to the vendor.

Optional Fields:
Project Code, Unit, Catalog

To add additional lines of detail – just right click in the bottom section, add row

See next page for Vendor Information – a very important piece of information!
You must click on the second tab in the middle section **SUGGEST A VENDOR** to enter the Vendor ID.

If the vendor is not listed, complete a New Vendor Request Form* (see pg. 39).

Please see Miscellaneous Information section (pg. 57) for tips on searching for Vendors.

* A vendor must be created before the PO can be completed (see pg. 39). A payment request form in lieu of requesting a new vendor will not suffice.
Requisition Detail – Saving and Submitting

After you have entered all the required information and entered the Vendor ID, you must save and submit the requisition.

To save your requisition, first click on **SAVE** button.

Once the requisition is saved, you will have to click on **SUBMIT FOR APPROVAL** button to get the requisition into the approval process.

Please remember to close the window when you are finished in that screen. 😊
Step 2 – Approving the Requisition

Click on Task/Requisition to PO/Approval
Locate the Requisition that needs to be approved
Click on the Approve box
Click Process

You can access the requisition detail by clicking on the requisition number.

NOTE: All requisitions must be approved in order. Example – if the requisition is for $1,000 and you have approval up to $500, you must first approve the requisition, before it will appear for the supervisor.

Approving Requisitions Over the Approval Limit of the Creator of the PO
The creator of the PO should notify the proper person that a requisition needs to be approved.
The Supervisor opens Jenzabar/Business Module/Purchasing Module.
Follow the steps above.
The Supervisor will need to notify the requestor when the requisition has been approved.

Please remember to close the window when you are finished in that screen. 😊
Step 3 – Converting the Requisition to the Purchase Order

Click on Task/Requisition to PO/Create PO from Requisition Detail
Remove the check mark next to Trial Run
Enter the current date in the Date to Order field
Select r_po_from_requisition_hdx in the Reports field
Select Preview in the Print field
Click Create Purchase Orders
A report will automatically appear stating that all approved requisitions have been converted to POs. There is no need to print this report.

Please remember to close the window when you are finished in that screen. 😊
Step 4 – Printing the Purchase Order

Click on Task/Purchase Order/Print or Email a PO (currently you cannot email your PO) – you no longer have to print or preview the PO and you can print whenever you need to.

You have many options to choose the POs you want to print:
- You can pull in a PO based on a requisition number
- You can pull in a PO based on a PO number
- You can pull up all your POs since a certain date (as is done here in this example)

Once you decide on your criteria click on Get PO’s

Find the PO you want to print and click in the Select box on the left

In PO Format Options choose r_print_po_hdx_bo_newlogo and Print Immediate or Preview

Click Print Selected PO’s

After you close your PO, you will be asked “Do you wish to mark the selected Purchase Order(s) as Sent to Vendor?” Click NO

Please remember to close the window when you are finished in that screen.
Step 5 – Receiving the Items on the Purchase Order

When the shipment arrives, each item will need to be received in the system. Invoices submitted to Accounts Payable for items not received in the system will not be paid.

Click on Task/Receiving/Receive Goods

Enter the PO number or the Requisition number and click on Get PO’s

Enter the PO Order Status of each individual line item – ex. Received, Back-Ordered, Partial Received, etc.
The Received Quantity you received – will update automatically
The Status Changed Date – will updated automatically to current date

COMPLETING THIS IS YOUR APPROVAL TO PAY THE INVOICE

Click Save

Accounts Payable will not pay any invoice without all 3 boxes completed!!
This is a GREAT NEW SCREEN!! You now have the ability to see the status of all your requisitions. It shows you what requisitions have been converted (and the corresponding PO number), if a requisition has not been submitted for approval or if a requisition is pending approval.

You can click on the next to last column (icon that has an A on it) to see who hasn’t approved the requisition yet.

To get to this screen:
Task
Requisition
Check Requisition Status

You have many options to choose the Requisitions you want to view:
You can pull in based on Requisition number
You can pull up all your Requisitions created since a certain date
You can pull in everything in a certain status (i.e. all pending requisitions)
Once you decide on your criteria click on Get Requisitions
What to do if you are over budget when creating a Requisition . . . .

- If you receive a warning message stating that you are over the budget (while creating the req.)

  - Click ok on the error box.

  - Click NO in the box asking if you would like to save in suspended mode.

  - Go back to the header screen and make a note of your Requisition number.

  - Close the requisition screen.

  - Follow the procedures listed for account budget transfer – see Pg. 47.

- After your transfer is complete, click on task-requisition-requisitions

  - Find your requisition number, click on it, and click open.

  - Complete any missing information as usual and save.

  - Return to PO Process Step 2 – Approving the Purchase Order – pg. 32
How to Request an Alternate Approver
How to Request an Alternate Approver

Occasionally, someone will need to approve a PO on someone else’s behalf. Jenzabar allows an Alternate Approver process to do just that.

The Primary Approver would simply complete the Alternate Approver Form to delegate authority for approving a requisition by a different user. When a requisition needs approval by the Primary Approver, the system will allow either the Primary or the Alternate to approve the requisition. The Alternate would be able to log on with his/her assigned username (as opposed to using the Primary Approvers log in information) and approve the requisition.

The Primary Approver can delegate this authority for a specific time period or forever, whichever they prefer.

The purpose of this process is to provide better internal controls over who approves purchase orders and at the same time allow some flexibility to the process of getting a requisition “through the system.” By assigning an Alternate Approver, the sharing of Jenzabar username and passwords should be eliminated.

The current approval tracks (who has what approval limits for each area) in Jenzabar can be modified with authorization from the area Vice President. This includes approval amounts as well as who approves.

Completing an Alternate Approver Request Form (see pg. 63)

Enter the Primary Approver name

Enter the Primary Approver Username – the Username for Jenzabar of the Primary Approver, do not include the password on the form

Enter the Alternate Approver name – the name of the person which can approve on behalf of the Primary Approver

Enter the Alternate Approver Username - the Username for Jenzabar of the Alternate Approver, do not include the password on the form

Enter the Date Range for Approved Alternate – the date range in which authority is vested to the Alternate Approver. This can be a specific range or write “forever” if full authority will be given

The Primary and Alternate Approvers will both agree to the alternate approval conditions by signing the form. The form should be submitted to the Business Office.
How to Request a New Vendor ID
How to Request a New Vendor ID

There are over 15,000 vendors already in our system. Creating new vendors is a last resort.

In order to avoid having to create new vendors (especially for those vendors that will be used only once), there are several options.

- Order from a different vendor with which we have conducted business in the past and already exists in the system.
- Use a Corporate Visa Credit Card to pay for the merchandise (see pg. 45)
- Use personal funds and request a reimbursement (see pg. 5)
- If you must use a new vendor, you must complete a New Vendor Request Form

**NOTE:** If you simply fill out a Payment Request Form instead of a PO because the vendor does not exist in the system, the form will be returned to you and you will be asked to complete a New Vendor Request Form and a PO once the vendor is created.

**Completing a New Vendor Form** (see pg. 63)

Enter the **Date** the form is being completed

Enter the **Vendor Name** – enter the name as it should appear on the payment check

Enter the **Vendor Address** – enter the address where the check should be sent

Enter the **Vendor Phone**

Enter the **Vendor Fax** number if you have it

Enter the **Federal Tax ID #** - we **MUST** have this information in order to set up a new vendor. If this information is not complete, the form will be returned.

Enter **New Vendor Requested By** – Because the form is sent via email, no signature is required, but please include the requester’s name

Submit the form via email to vendorrequests@hendrix.edu for processing. The new vendor ID number will be forwarded via email once the vendor is created.
How to Use Specific Vendor Credit Cards
How to Use Specific Vendor Credit Cards

Hendrix College has credit cards available for purchases at Wal-Mart, Office Depot, Kroger, Hobby Lobby, and Home Depot. Each credit card works differently, so please see details below for each card.

**Wal-Mart**
All departments have a Wal-Mart credit card available to them.

Stop by the local Wal-Mart store and purchase those must-have items with the department issued Wal-Mart credit card.

When you get back to campus, on the top of the receipt, write the PO number that was used for the purchase.

If no PO was created prior to the purchase, create a PO using the information from the receipt (see pg. 23 on how to complete a PO) – a PO MUST exist and be “received” in the system in order for the invoice to be paid.

If receipts are missing and the payment is late due to tracking down receipts/invoices, the late charges incurred are added to the department that caused the late payment.

Forward the receipt with the PO number on it to the Accounts Payable Clerk in the Business Office. It is not necessary to include a copy of the PO.

**Office Depot**
Office Depot cards can be checked out from the business office.

Stop by the local Office Depot store to purchase or order on-line those must-have items with the Office Depot credit card. When ordering on-line, please enter the PO number in the field provided.

When you get back to campus, on the top of the receipt, write the PO number that was used for the purchase.

If no PO was created prior to the purchase, create a PO using the information from the receipt (see pg. 23 on how to complete a PO) – a PO MUST exist and be “received” in the system in order for the invoice to be paid.

If receipts are missing and the payment is late due to tracking down receipts/invoices, the late charges incurred are added to the department that caused the late payment.

Forward the receipt with the PO number on it to the Accounts Payable Clerk in the Business Office. It is not necessary to include a copy of the PO.
**Kroger**

Kroger cards can be checked out from the business office.

How to Use Corporate Visa Credit Cards
How to Use Corporate Visa Credit Cards

Hendrix College distributes Arvest VISA credit cards to various departments/employees.

If you are issued a corporate VISA card, please sign your name or write ‘check i.d.’ on the back of the card immediately and keep it in a secure place. The VISA credit card is to be used to charge those expenses incurred only on behalf of Hendrix College. The card is not to be used for the purchase of personal items.

**Monthly Statements:**
- Statements arrive in the mail on or around the 10th of each month.
- Statements are to be turned in to the Business Office within 1 week of receiving them.
- If you are traveling, make arrangement to have your statement submitted in your absence.
- A Payment Request Form (see pg. 63) with subtotals for each account to be charged should be attached to the statement. The Payment Recipient should be Arvest Bank.
- The payment request form must be signed by your department head, director or the Senior Staff member for your area.
- Do not write on the top remittance portion of the statement.

**Receipts:**
- Receipts for all charges (made in person, by phone, or online) must be submitted with your statement. **Note:** For credit card charges LESS THAN $50 that have no receipt — we will allow a statement signed/approved by the supervisor explaining the details of the charge — this policy is put in place for the rare instances that obtaining the receipt is impossible/very difficult. Any charge OVER $50 MUST have the original receipt. If it appears that a cardholder is abusing this policy, the business office has the right to contact the supervisor and human resources to determine if any disciplinary action should be taken.
- A brief but detailed explanation of the charge should be written on the back of each receipt. (Example: name of conference, meeting or event; names of people you dined with/paid for)
- You are personally responsible for payment of charges when the receipt is missing. A personal check is to be turned in with the statement.
- If you locate the missing receipt after you have personally paid the charge, you may submit it for a reimbursement.

**Finance Charges/Late Fees:**
- Turning in statements more than a week after receiving them could delay the payment process and result in finance fees and/or late charges.
- You are personally responsible for the payment of finance charges and late fees when you do not turn in your statement in a timely manner. A personal check is to be turned in with the statement.

**Problems Using the Card:**
- If your card is lost or stolen please call VISA Assistance at 1-800-VISA-911. Outside the U.S., please call collect (410) 581-9994.
- If you plan extensive travel, especially out of the country, please call 1-800-VISA-911 before you leave. Changes in your spending pattern may trigger a security alert which may suspend your ability to use the card.
- You may want to keep these numbers in your cell phone address book.
- Please call or email Cris Williamson at 450-1333 if you anticipate a problem using your card or if you have unauthorized charges on your credit card.
How to Request a Budget or Expense Transfer
How to Request a Budget or Expense Transfer

There are two different types of transfers, a Budget Transfer and an Expense Transfer. A Budget Transfer deals with the total amount you have budgeted for a particular account. An Expense transfer deals with expenses that have been posted or will be posted to an account code or if one department will reimburse another department for a purchase. See below for more information.

Budget Transfer
Occasionally, a department will have a shortage of funds in a particular operating budget account. If there are sufficient funds in another budget account (not including salary accounts), a budget transfer request may be submitted. This is simply moving budget money from one account to another account within the same department. The overall budget amount for the department will not change, just the individual account budgets.

Expense Transfer
Sometimes an invoice is paid and charged to an incorrect account number or one department will reimburse another department for an item that has or will be posted by the other department. For example, an invoice was charged to supplies, when the expense was actually for printing. Or one department paid for an invoice and the invoice should have been split between departments. An Expense Transfer is also used if a department is going “help” another department pay for an event or item. The key to an expense transfer is the expense has already been charged to an account and it was the wrong type of expense or should have been charged to another department.

NOTE: Expenses charged need to be charged to the accounts where they belong. If you want to charge an account and there are not enough funds, DO NOT just charge the expense to a different account in order to cover the expense, submit a budget transfer and charge the item to the correct account code.

Completing a Budget Transfer Form (see pg. 63)

Enter the Date

In the “Remove Funds From” column, enter the Account #/Proj Code and the Amount for the account you want to remove funds

In the “Add Funds To” column, enter the Account #/Proj Code and the Amount for the account you want to add funds

Enter the Totals for each column – the totals should be equal

Enter the Reason for Transfer – this helps determine whether the request needs to be a Budget Transfer or an Expense Transfer

Enter Transfer Requested By - the person requesting the transfer should sign and print their name at the bottom of the form
Enter Transfer Approved By - any transfer of funds must be approved by the department head.

After the form is complete, submit it to the Business Office. Once the request is received, the transfer should be processed within 24 hours.
How to Deposit Funds
How to Deposit Funds

In order to have pertinent information and backup for all deposit, we now require a Deposit Request Form to accompany all deposits made to the Business Office. It is important that the Business Office knows who is making a deposit and that we have back up to that effect.

Please attach the Deposit Request Form to all checks and cash that are deposited.

If the information on the form is incomplete or inaccurate the request will be returned to the HUG (Heavy Purchasers User Group) member associated with the department requesting the deposit. The grey box at the top of the form will indicate what information is missing.

Completing a Deposit Request Form for Depositing Funds (see pg. 63)

Enter Date of the deposit

Enter Deposit Prepared By – should be the name of the person preparing the deposit information

Enter Phone # of the person preparing the deposit. This provides contact information if there are any questions.

Enter Purpose of Deposit – this could be anything from Student Organization fund raising, t-shirt sales, reimbursement to college, etc.

Enter Account #/Proj Code to Credit

Enter all names of depositors in Name on Check/Person Giving Cash – this will allow us to know who deposited what checks in case a check is returned

Enter the Check #/Cash for each depositor – if the depositor writes a check, then enter the check number, if the depositor submits payment by cash, simply write Cash in the field

Enter Amount for each depositor

Add the Total for the deposit – if this form is completed electronically, the total will automatically calculate

Enter Deposit Prepared By - the person preparing the deposit should sign and print their name at the bottom of the form

Enter Deposit Entered By – the person actually keying the deposit into Jenzabar should sign and print their name at the bottom of the form

Miscellaneous Information
Miscellaneous Information

All payment requests need to be submitted to the Business Office by 5:00 pm each Tuesday. Any requests submitted after 5:00 pm on Tuesday will not be processed until the following week. Checks will be ready for pick-up each Friday afternoon after 3:00 pm.

-NOTE: If information is not complete (this includes POs not received in the system), the request is not considered received on time and will be returned for missing information. Areas around campus may need to establish deadlines earlier than Tuesday at 5:00 so there is time to verify that information is complete and accurate before forwarding the requests to Accounts Payable.

If a charge is made on a credit/debit card, the original receipt must be submitted. A copy of the card statement is not acceptable documentation. Note: For credit card charges LESS THAN $50 that have no receipt – we will allow a statement signed/approved by the supervisor explaining the details of the charge – this policy is put in place for the rare instances that obtaining the receipt is impossible/very difficult. Any charge OVER $50 MUST have the original receipt. If it appears that a cardholder is abusing this policy, the business office has the right to contact the supervisor and human resources to determine if any disciplinary action should be taken.

Meals over $25 must have the itemized meal receipt (as opposed to the signed credit card receipt). The purpose of the meeting and the people that attended the meal must be provided. Tips on meals SHOULD NOT EXCEED 20% of the meal cost.

If remittance should be included with the check, please include a copy when submitting the information to Accounts Payable. We must keep all originals as backups, so copies go with the checks.

The point of contact for the Business Office will be the HUG member (Heavy Purchasers User Group) associated with the particular department requesting the payment.

All forms can be found on the Hendrix Website (www.hendrix.edu) under Campus Resources/Business Office/ Business Office Printable Forms.

Definitions

Purchase Order – use when merchandise needs to be purchased directly from a vendor – ANY payment to a “company or entity” needs to have a PO associated with it

Payment Reimbursement – use when merchandise has been paid using personal funds – only individuals should receive reimbursements

Payment Advances – use when a person needs money in advance in order to pay for something – this is usually used for hotels, airfare, trips, etc. These are placed on the individual’s account until receipts are supplied, then the amount is no longer the
responsibility of the individual and the correct account is expensed. Payment advances are only allowed for faculty/staff members.

**Contract Labor** – use when we pay a person directly for services rendered – this includes individual consultants, honorariums, payments to students for Profile articles, various part-time services around campus, etc.

**Other Payment** – use when any other type of payment is required that is not listed above – this includes prizes given, clearing general payment advances, etc.

**Encumbering** – this can be thought of much like your check book. When you write a check, you “encumber” your funds by writing the expense in your ledger. In this way, you cannot spend those funds twice. As soon as a Requisition is created, the system encumbers those funds. When the invoice is paid, the encumbrance is released and the actual invoice amount is deducted from the account budget.

**Approval/Authorization Tracks**

Department Heads and Area Chairs can vest their authority in an assistant. An Alternate Approver Form should be completed and forwarded to the Business Office.

The current approval tracks in Jenzabar can be modified with authorization from the area Vice President.
Helpful Hints for Creating a Purchase Order

Buttons versus Pull-Down Menus

There are two ways to get where you need to go in Jenzabar. You can click File (or Task below) to get where you want to go, or you can push the icons to get to the same places. While in Jenzabar, rest your mouse pointer on the icons on your taskbar and they will tell you their function.
Searching for Vendors

To search for any information in Jenzabar is as easy as 1-2-3!

1-Type the name in the box
2-Click the right side of the box to pull down the results
3-Make your selection

Hints:
✓ You can enter part of the name to search as well.
✓ Move those fingers quickly! The search starts automatically 3 seconds after you start to type!
✓ You can perform a wildcard search by typing percent signs at each end of your word.
   For example: If you want to look for a vendor name with grain in it. You would type %grain% in the vendor ID# box. Jenzabar will search for all vendors with grain in their names.

You can also click on the icon of the little man with sunglasses to get search on the Vendors. You can then do an Advanced Search (see below).
Searching for Vendors

You can also do an Advanced Search by right clicking in the Vendor ID field (either in the Requisition or by clicking on the little man with sunglasses icon) and clicking on Advanced Search.

You have more flexibility in your search – you can scroll over and see addresses or you can click on the Show Addr button and see all the addresses for the vendor.
Example of Forms

Electronic versions of the forms can be downloaded on the Hendrix Website (www.hendrix.edu) under Campus Resources/ Business Office/ Business Office Printable Forms
