

## HealthSmart on the go: Welcome to MyHealth from HealthSmart!

### MyHealth allows you to:

- ▶ Access your group health plan with touch-screen ease
- ▶ View your eligibility
- ▶ See your claims history for the past 24 months
- ▶ Track deductibles, out-of-pocket maximums and other accumulators
- ▶ View, email, and fax your plan ID card – never lose your card again! \*
- ▶ Get online technical support with our help center
- ▶ And much more!

*... All from your mobile phone*

Our smartphone App is designed to help you use and manage your healthcare coverage anywhere, 24/7. It functions on **Android** devices with an operating system (OS) of at least 3.0 and **iPhone** devices with an OS of at least version 5.0. MyHealth is an easy way to organize and access your health information wherever you are. Download it today from the App Store or Google Play.

## Stay connected to your healthcare with MyHealth.

\* ID card viewing available for select customers; image storage available for all others
