Secrets of the Chinese Court, Passions of the West

Sssss...Red Chamber is hot, steamy hot! Whether it is fast and furious stringband music, the sultry beauty of Imperial Court classics, or cutting edge contemporary creations, Red Chamber's fiery passion embodies every note.

La fougue de Red Chamber vous envoûtera! Qu'il s'agisse de musique d'orchestre à cordes rapide et endiablée, de la beauté rigide de classiques de la Cour impériale ou de créations des plus contemporaines, la passion ardente de Red Chamber fait corps avec chaque note.

Red Chamber straddles traditional and contemporary, whether it be ancient Chinese court music, Chinese string band music, bluegrass, or jazz fusion. These virtuoso performers set the stage on fire with hot licks, power and passion!

Red Chamber takes its inspiration from the traditional Chinese "Plucked String" repertoire that is seldom if ever heard in the west. Featuring only plucked strings, Red Chamber creates a unique sound while performing a repertoire that spans centuries, including transcriptions from the Tang Dynasty (618-907), to modern compositions. Red Chamber is exploring other genres of plucked string music like Bluegrass, jazz, and a host of other folk traditions.

Red Chamber is an exciting ensemble of masterful musicians bringing a new sound on ancient instruments to the international concert stage.

Red Chamber conjugue le traditionnel et le contemporain, passant d'une musique chinoise ancestrale pour ensemble à cordes rarement entendue en Occident, au bluegrass ou au jazz fusion. Ses artistes embrassent littéralement la scène par leurs riffs fongueux, d'une virtuosité puissante et passionnée!

Red Chamber tire son inspiration du répertoire chinois traditionnel d'instruments à « cordes pincées » rarement, voire jamais, entendus en Occident. En utilisant seulement des instruments à cordes pincées, il propose un son inédit tout en jouant un répertoire qui couvre plusieurs siècles, allant des transcriptions de musique de la dynastie Tang (618-907) à des compositions modernes. L'ensemble explore aussi d'autres styles musicaux pour instruments à cordes pincées, comme le bluegrass, le jazz et une gamme d'autres traditions folkloriques.

Sur la scène, Red Chamber est un groupe de musiciennes accomplies qui tirent des sonorités nouvelles de leurs instruments anciens.
