

Hendrix College COVID-19 Quarantine & Isolation Housing

What Should I Bring to My Quarantine/Isolation Room?

Your quarantine timeframe depends on the results of your test and your symptoms. If you are moving out of your permanent housing assignment, you'll want to be comfortable during your temporary stay. Items you may want with you while you are in quarantine or isolation are the following:

- Personal Pillows and Bedding
- Thermometer
- Medications
- Masks
- Backpack and/or purse
- Cell phone & charger
- Laptop & charger
- Toiletries (shampoo & conditioner, toothbrush, deodorant, etc.)
- Textbooks or reference items you may need for classwork
- Headphones
- Clothes for the duration of your stay
- Any items you may want during down time (coloring book, nail polish, puzzle books, yoga mat, hand weights, etc.)
- Dry snacks and/or drinks (please note there will be snacks and drinks supplied during your stay)

Students are **not** allowed to bring the following items:

- TV/Stereo System
- Mini fridges
- Microwaves
- Hot Plates or Rice Cookers

If you realize you've forgotten something, please contact your RA who can assist in retrieving the item(s) for you. For any essential needs during your stay, such as groceries, medications, or delivery of packages/mail, please contact the Isolation and Housing Manager Darryl Manes (manes@hendrix.edu).

For all other questions regarding items in temporary quarantine/isolation assignments, please contact Residence Life (housing@hendrix.edu).
