What you need to bring:

Sleeping: You need to bring a sleeping bag and pillow. You will be camping in tents.

Clothing: Comfortable clothing for hiking that you won't mind getting dirty. Bring your tennis shoes and your swimsuit.

Toiletries: Toothbrush, toothpaste, soap, deodorant, etc.

Extras: Camera, towel, sunscreen, sandals, and anything else you might want.

What you will be doing: Your team will camp on the scenic Mtn. Magazine for two nights. Enjoy hiking and exploring around the park while taking turns swimming, playing games, hiking light trails, and getting to know your peers. Your leaders will cook tasty meals while you enjoy the open air of the natural state.

Don't Forget: Your trip leaves, tentatively, at 3:00 on Friday, August 18th. Check with your leaders when you arrive on campus to confirm this time.
