

SUBSTANCE-FREE HOUSING CONTRACT

The Residence Life Office at Hendrix College, in an effort to support the total development of students and to provide students with a substance-free environment, has designated Brown House as Substance-Free Housing. Students wishing to live in a substance-free environment may choose to do so by residing in Brown House. By residing in Brown House, residents and their guests agree to abide by the standards and expectations of Substance-Free Housing as outlined below. Please read this document carefully before signing and returning.

Substance-Free Housing Guidelines

The possession or use of alcohol, controlled substances and tobacco products by residents or their guests is prohibited in student rooms and public spaces in Substance-Free Housing. If residents or their guests choose to use such substances outside of the Substance-Free Housing, the results of that choice must not have a negative impact upon residents or property upon return to the Substance-Free Housing. Residents will be held responsible and accountable for the conduct of their guests at all times.

(This information can be found in the 2015-2016 Student Handbook online.)

Consequences

If residents of Brown House are found violating the substance-free contract, they may be removed from Substance-Free Housing and reassigned to other College Housing. Violations may include, but are not limited to, the use of tobacco products, alcohol, or illicit drugs; the possession of any of the aforementioned within their room or public spaces in Brown House; the misuse of legal prescription drugs; or having guests who use or possess those items within the Substance-Free Housing.

Residents who return to Brown House under the influence of alcohol or illicit drugs, or who have guests who do so, and whose actions negatively impact the residents of Brown House may be asked to leave Substance-Free Housing immediately and without refund. The resident and situation in question is subject to evaluation by the Dean of Students, and housing re-assignment may be administered.

I have read, understood, and agree to abide by the terms and conditions of this Substance-Free Housing Contract. I understand that this agreement shall remain in effect throughout my residency in the Brown House. I understand that violation of this agreement may result in administrative or judicial action which may include a reassignment to other College housing. I may terminate my participation in this agreement by moving to another College housing option that is not designated as a Substance-Free Environment. If no other space is available, I agree to abide by this agreement and these guidelines until a spot opens up.
