A Note to Applicants:

These Living-Learning Communities will bring together students who have a shared interest and put them into a common living space. This community will require students to be active in the development of the community and will link a designated theme to the living space. Students accepted into the community will be expected to participate in related events and positively contribute to the community. Students who fail to participate in the activities may be required to move to another residential facility.

<p>Required events / activities include, but are not limited to:</p> <ul style="list-style-type: none"> ◆ Weekly Community Meetings ◆ Monthly Theme Dinners ◆ Monthly Progress Reports (one per community) ◆ Community Trip ◆ Community Project (Odyssey credit is possible) ◆ Decoration of Common Space 	<p>Students interested in living in these communities should complete this application and answer the following questions in a 1 - 3 page essay:</p> <ol style="list-style-type: none"> 1. Select ONE interest community and express why you are interested in living in the community. 2. What previous experiences do you have with the chosen community? 3. In what ways will you be able to contribute to the development of the community you have chosen? 4. Each community will complete a service project/trip related in some way to the topic. Describe your dream trip for your chosen community.
---	--

Please use this page as the cover sheet to your application. Return this page and your essay (stapled) for a completed application. A committee will review your application and select individuals who demonstrate strong commitment to the community and diverse perspectives and experiences.
