Keep me clean, keep me warm,
Keep my soul away from harm.
Keep the night, keep the day
Keep the in between away.

Hold that second, hold the time,
Hold that picture in your mind.
Hold the smoke, hold the fire
Hold all that you desire.

Show me trust, show me love
Show me heaven up above.
Show your soul, show your mind
Show it to me all the time.

—The Black Keys

The Better Than Ezra concert committee needs help on Saturday April 16, 2005.

A volunteer meeting has already occurred to recruit students to help with the concert, but we have received many emails from students who were unable to attend the meeting but still want to help. We are still looking for plenty of students to help out with this exciting event. If you would like to help out on the day of the concert, Saturday, April 16, e-mail concert@hendrix.edu by Monday, April 11 and state which committee(s) you would like to help out with. If you want to help out with more than one, then please rank your choices. The committees that need volunteers for the day of the concert and the students in charge of these committees are:

Brad Howard – Logistics (Stagehands, site work, clean-up crew)
Mary Thigpen – Security and Emergency Response

All volunteers will receive a free volunteer shirt for helping. Thanks for taking the time to read this and we hope to hear from you soon!

Even though the movie does not open for another seven weeks, fans are already camped outside a movie theater in Hollywood for the opening of the Revenge of the Sith, the final Star Wars movie.

There is only one problem, they are camped outside of the wrong theater. Diehard fans have been waiting outside of the Chinese theater when they got the news that the film would open about a mile away at the ArcLight cinema.

But these loyal Star Wars patrons are not moving, they think the news is false. “We’ve heard all this before”, said Sarah Sprague, who is waiting outside of the theater.

She claims that similar rumors were started in 1999 and 2002 when the other Star Wars movie came out but they opened at the Chinese Theater anyway.

She added, “This is still the epicenter for Star Wars fans”. When Star Wars first premiered in the 1970s it open at the Chinese Theater.

Executives from 20th Century Fox and ArcLight told Variety magazine that Revenge of the Sith would open at the ArcLight, although a deal has not yet been agreed upon.

Maybe in order to understand mankind we have to look at that word itself. MANKIND. Basically, it’s made up of two separate words “mank” and “ind”. What do these words mean? It’s a mystery and that’s why so is mankind.
