THE HENDRIX DANCE ENSEMBLE  
SPRING CONCERT ON TWO NIGHTS!
Tuesday and Wednesday, April 26 and 27 at 7:30, the Hendrix Dance Ensemble will present its Spring Concert featuring student dancing in original works by student and staff choreographers. Works this year feature live musical accompaniment through drumming and singing as well as “Arcs” an original composition by Dr. Karen Griebling played by the Hendrix College Chamber Orchestra. The dances are presented in a variety of styles including ballet, modern and red-hot Latin Jazz! Our choreographers explore a wide range of ideas and inspirations through movement: from nightclubs and nature to friendship and aging to spirituality, southern-ness and foot-stomping, full-throttle rhythmic explosions. And one piece uses twin beds! The Spring Dance Concert is a celebration of what Hendrix is all about: a whole life in spirit, mind and body. A fun night for all!

TABLE TALK

A South African zoo is having problems with one of their animals, a chimp named Charlie. Charlie has been picking up cigarettes that visitors to the zoo have been throwing down and smoking them. He more than likely is imitating what he sees from the smoking visitors zoo officials told the SAPA news agency.

Daryl Barnes, a spokesperson for the SAPA said, “Baby chimps pick up habits by mimicking adults and we think he starting mimicking smokers at his enclosure which probably led to smokers throwing him cigarettes.” Barnes also said that Charlie is starting to display sings of a nicotine addict.

Zoo officials have let Barnes know they plan to do all they can to help Charlie kick the habit. This can only be done if visitors stop supplying Charlie with cigarettes or other treats.

Barnes added, “He already acts like a naughty schoolboy by hiding the cigarette when staff approach the area.”

“How much does it cost for a pirate to get his ears pierced?”

And when the broken hearted people
Living in the world agree
There will be an answer, let it be
For though they may be parted
There is still a chance that they will see
There will be an answer, let it be
