

# Got Talent?

Musical Showcase (the Family Weekend version of Coffee House) is coming up on September 24th.

**Sign-up now for a spot in the line-up!**

To sign-up, visit the sun-porch or contact Amy Robinson.

Isn't it weird that we drink milk, the stuff designed to nourish baby cows? How did that happen? Did some cattle man say, "Oh man, I can't wait until them calves are done so I can get me a hit of that stuff."

~Jerry Seinfeld

## TABLE TALK SUBMISSION GUIDELINES

*Table Talk* is published twice weekly during the academic year. Submissions are due by **Midnight**, and issues will be distributed by 5:00pm, according to the following schedule:

<u>SUBMIT BY:</u>	for	<u>PUBLICATION ON:</u>
Sunday		Monday
Wednesday		Thursday

Submissions should be photo ready 3" x 5" (the size of this ad). Deliver hard-copy submissions directly to Student Activities in Hulen Hall (2nd floor) or via campus mail (allow 2 days for delivery). Send e-mail attachment submissions to [activities@hendrix.edu](mailto:activities@hendrix.edu) as MSWord, MSPublisher, or Adobe .pdf documents; or as jpeg, gif, or tiff images. Every ad must clearly indicate sponsoring organization or department, and submissions should include contact name, phone, and e-mail. Submissions are accepted only from official Hendrix organizations and departments. The Office of Student Activities reserves the right to edit any ad for clarity. The Office of Student Activities may reject submissions, but will make every effort to discuss such a decision with the contact person prior to publication.

The Hendrix College

# TABLE TALK

## The Sound of the Keyboard Clicks Reveals What is Typed

Research at the University of California at Berkley have demonstrated that an audio recording of someone typing on a computer keyboard can reveal with surprising accuracy what was typed. Using commercially available recording equipment, the researcher captured audio of typing and analyzed the sounds using an algorithm they developed. Because the keys make different sounds, the system is able to make educated guesses about what key was pressed in what order. The application then applies to some linguistic object, including spelling and grammar checks, to refine the results. After three rounds of revisions, the system was able to determine 96 percent of the characters typed and 88 percent of the words. The application was effective even with background noise, such as music or cell phones ringing. Doug Tygar, UC Berkley professor of computer science and informational management and a principal investigator of the study, said the project should raise concerns about the security risks of such a technology. "If we were able to figure this out," he said, "its likely that people with less honorable intentions can—or have—as well."

Target Stores  
 Information Session  
 DWREY 10  
 Tuesday Sept. 20th  
 4:30 PM  
**Learn about internship and job opportunities.**

***Pizza and Prizes!!!!***

Sponsored by Career Services 450-1416 Careerservices@hendrix.edu

# WATER BALLOON MAYHEM

Have you repeatedly been denied the privilege of nailing your friends with water balloons?

Well, let the Hardin RAs change that for you.

**OUTSIDE THE FRONT OF HARDIN  
 WEDNESDAY, SEPT. 21<sup>ST</sup>—4:00 PM**

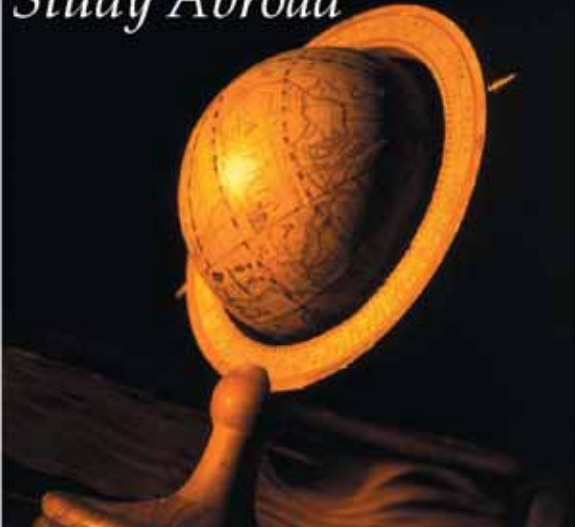

At my lemonade stand I used to give the first glass away for free and charge five dollars for the second glass. The refill contained the antidote.

~Emo Phillips

Always do sober what you said you would do drunk.  
 That will teach you to keep your mouth shut.

~Ernest Hemingway

## Study Abroad

**Where do you want to go?**

Start your journey with a visit to the Study Abroad Library, now located in the Odyssey Office in Buhler Hall.

*Looking for a quiet and cozy place to study?*

**COME TO THE MURPHY HOUSE!**

**Monday, September 19  
 Wednesday, September 21  
 6-9 PM**

All majors welcome!

Thursday, September 22, 2005 at 3:30 PM

(We'll leave Hendrix at 2:30 PM from Trieschmann)  
RSVP to Sarah Redford @ [redford@hendrix.edu](mailto:redford@hendrix.edu)

Co-sponsored by Career Services and the ECC

According to a recent study in the Journal of American Medical Association, overweight Americans, seen here from the neck down so they don't sue us, are growing in number so much so that eating too much food will surpass smoking as the number one preventable cause of death in America. . . Ironically the number 3 preventable cause of death. . . smoked food. (pause, screams into nowhere) "DAMN YOU CANADIAN BACON!" ~ Jon Stewart

HUMP NIGHT PRESENTS:

# SHEVY SMITH

Wednesday, Sept. 21  
9:00pm in the Burrow

The story line in a song is much like a little movie to me. Fleshing out characters that are only just a shade away from being real is the basis for an interesting story and helps lead a song in to honest territory.

- Shevy Smith
