When you want to send the very best...

**Special Event Cake**
Can't be with your favorite college student for his/her birthday or other special occasion? Send a cake and to celebrate a birthday, holiday, or just send a delicious cake for a finals study break. We'll deliver a white or chocolate cake with a special message from you anytime during the year. So remind your special someone that you're thinking of them with a cake from the Hendrix Biological Society!

*This care package is available for year-round delivery.*

It’s the little things you do …

Through the Student Activities Office, several student-run organizations offer care package delivery opportunities for parents who want to send a special treat of support and encouragement. It’s a little surprise to show them you care.

Proceeds from the sales help the sponsoring organization fund programs throughout the school year.
